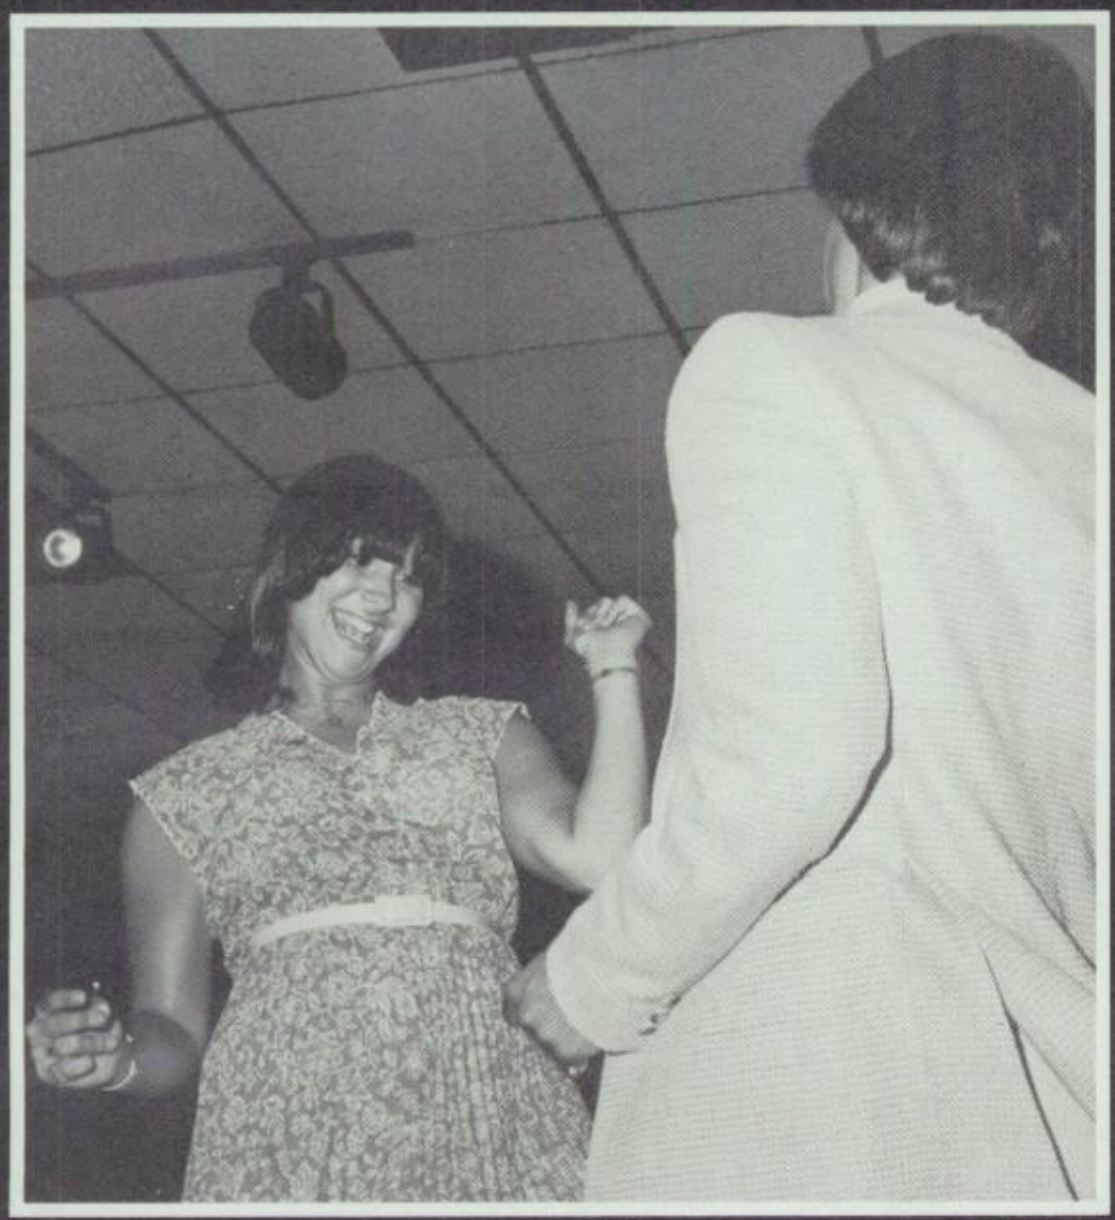
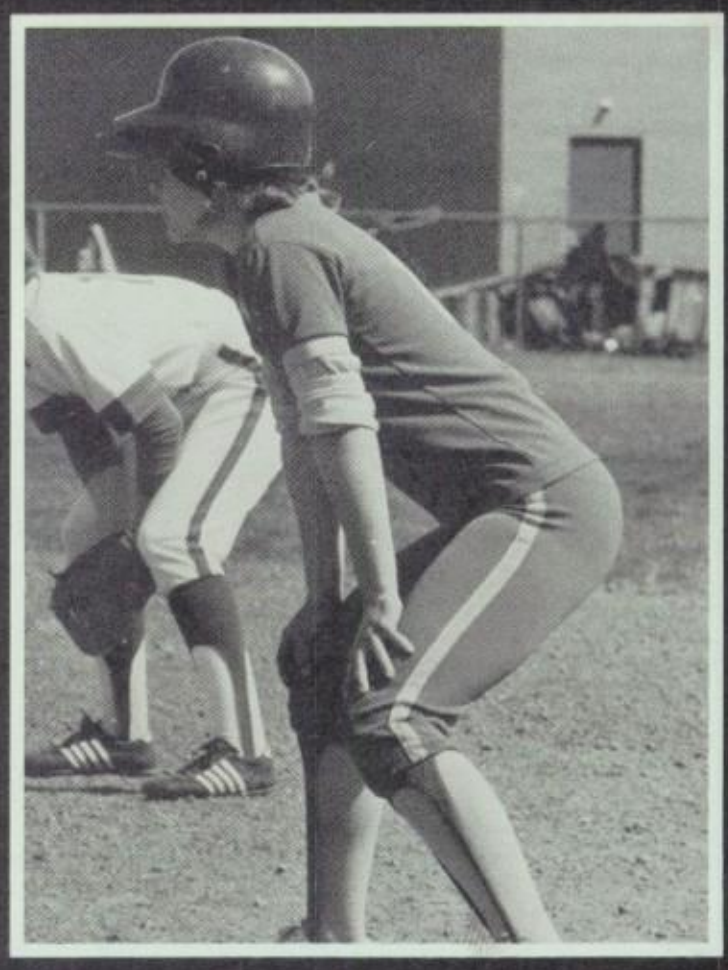
South Lake is a brand new place
Full of brand new faces;
Another year has now commenced.
The student body braces
As a whole, for the changes
That school year '79 will bring,
Different rock groups, fads, and fashions,
Brand new everything.

At the Senior Banquet, Rose Mendola dances with Frank Gambino.



At an assembly promoting GODSPELL, Jan Czop sings a song.

Daydreaming in class is Ernie Siwik.

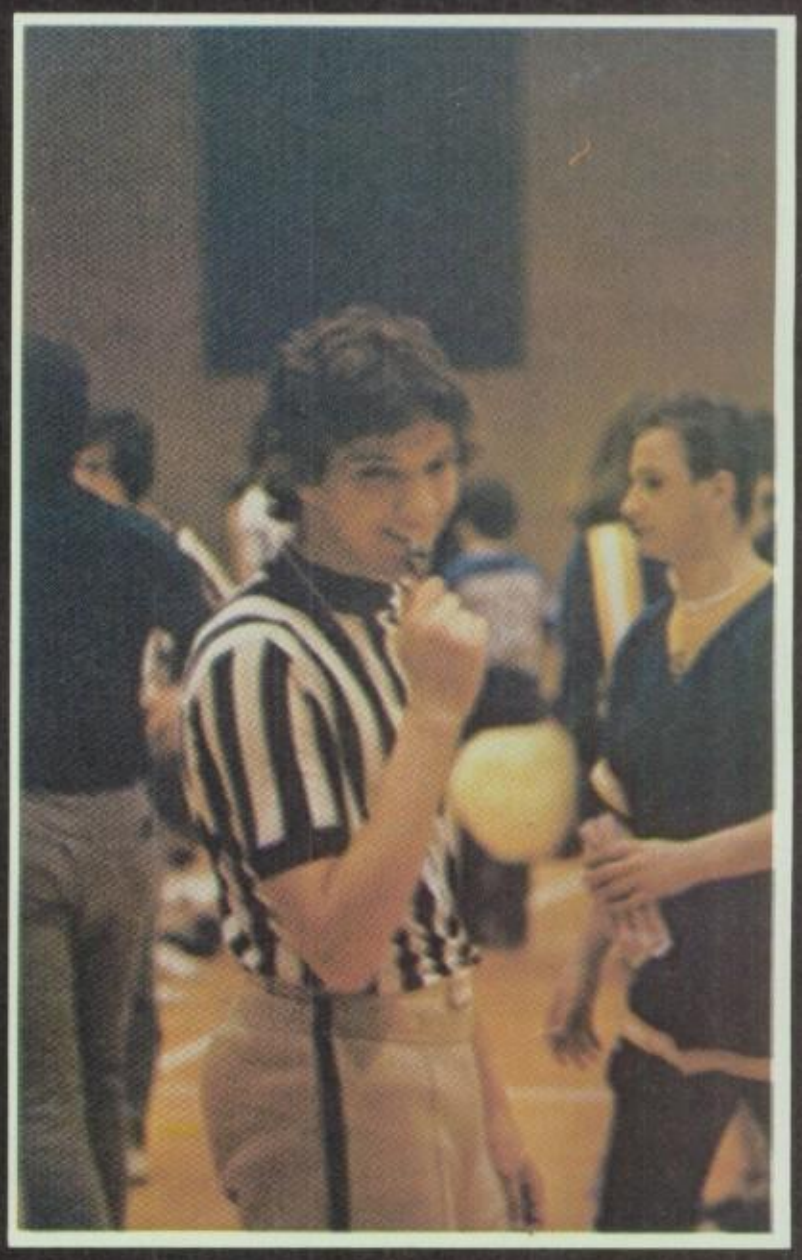


Softball is Diane Williams' sport.

All "wrapped" up in the new South Lake spirit is Patty Squillace.

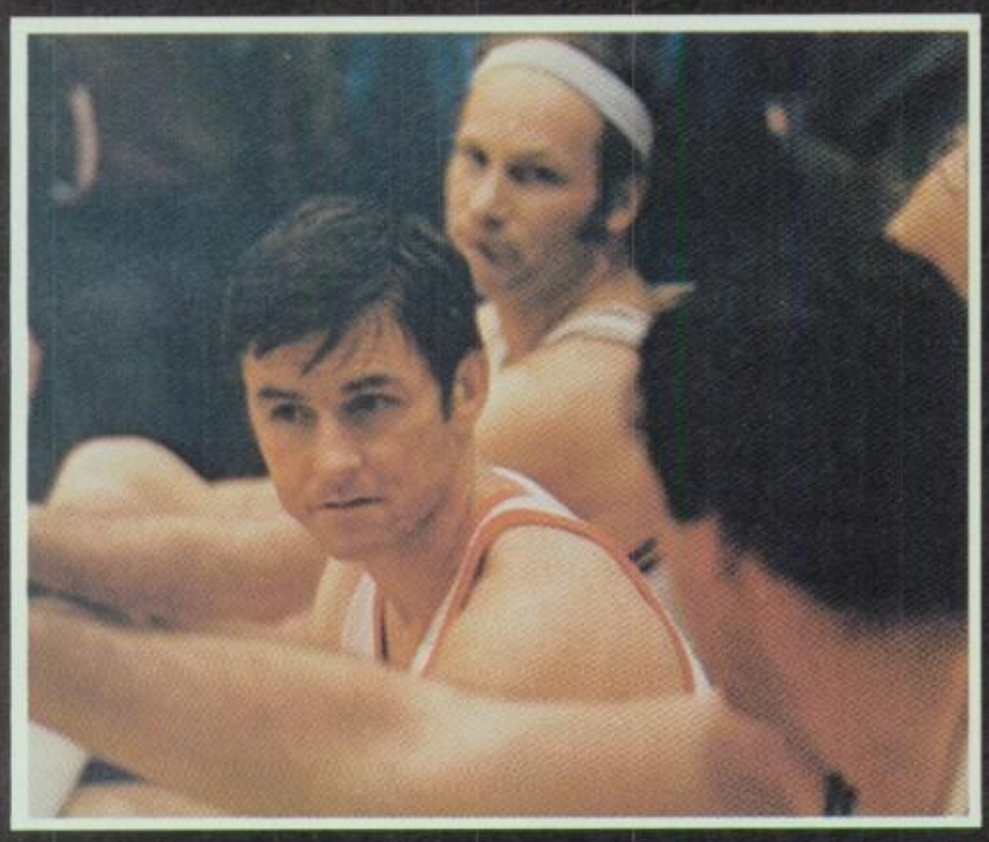
Gazing out into the wild blue yonder is Terry Brennan.

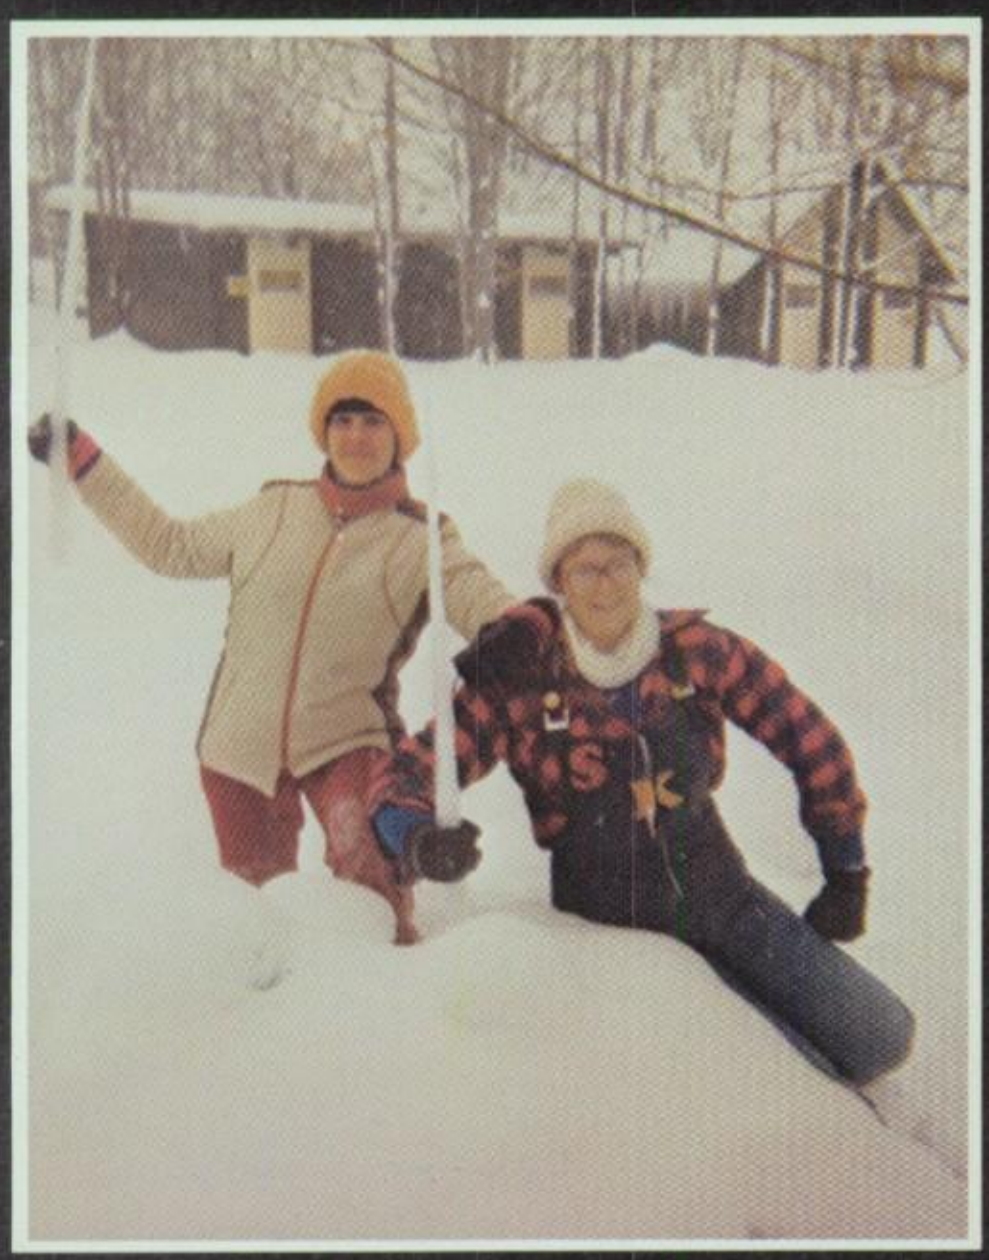
Cast members Ken Coulter, Bill Faba, and Stephanie Kelly enact a scene from "Charlie Brown."



Reffing at the Faculty-WABX game, Chris Rapaski is pleased with his call.

Sitting on the bench, Mr. Thompson watches the action.





On the ski trip, Lori Merlotti and Sharon Robers "freeze" for a picture.

Discoing down is Jackie Mazura.

Billy Joel and Coach Zabrensky,
Disco and Punk Rock,
Straight-leg pants and different teachers,
The new kid down the block.
Charlie Brown and Gilda Radner,
Freshmen in the hall;
Aren't you mad the summer's over.
It's Fall.

Mari Lynn Mazzenga, Ron Ventimiglia, and friend enjoy the last of an "endless summer."

Do you find everyday life a bore? Is reading and writing a tiresome chore? Has your mind been confined to a test tube, text book, or closed door? If foreign languages leave you tongue-tied and biology rots your socks, this section is especially for you. Yes, average South Lakers, life exists after 2:32. The following pages will girate with disco sound, distant lands will enfold their charms, and man's best friend really is his dog. There is . . .

STUDENT LIFE!

STUDENT LIFE

Terri Neill's radiant expression and Rick Oswald's debonair panache set the tone for the Homecoming celebration.

Picking up the beat at the NHS disco are Sue Petrocy and Mirella and Linda Ciaccia.

THOUGH FOOTBALL FIZZLES . . .

The score of the Homecoming game is trivial; spirit overpowered the play-by-play. The match-up began with a parade of Sesame Street characters. At half-time, the court took the field and Tammy Milhem was introduced as queen. Later, the Cavs did their part by scoring on Fraser.

Queen Tammy Milhem and her escort presided over the Homecoming dance.

Sandy Huck, Tony Maggio, Noreen Mahoney and escort, Peggy Barshaw, Ken Sesto, Tina Harrison, Neil Capalano, Nanci McLaughlin, Dan Seghi.

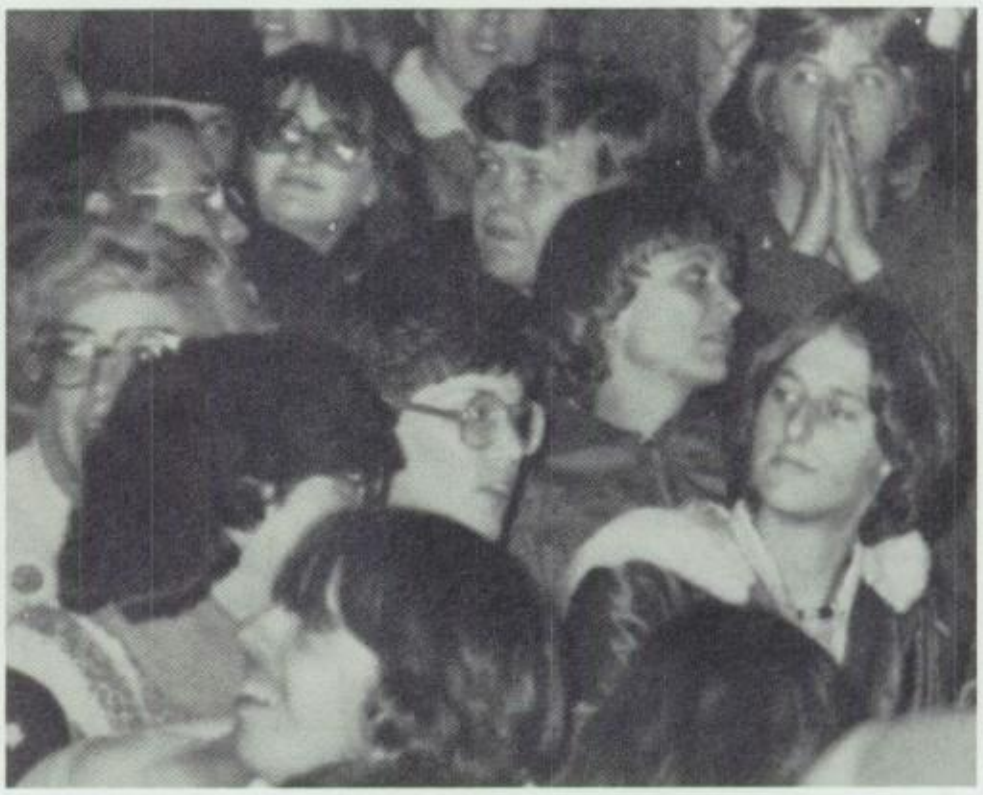
Kathy Lusk, R. J. Schmerheim, Mary Leone and escort, Lisa Rocheleau, Roger Fonlds, Lorna Michaels, Mike Pagano, Kitty Kelly, Angelo Peruzzi.

FESTIVITIES FLOURISH

Coach Purgatory confers with Tim Dickerson on game strategy.

Ready to fight the fearsome Fraser team, Mike Morelli prepares for action.

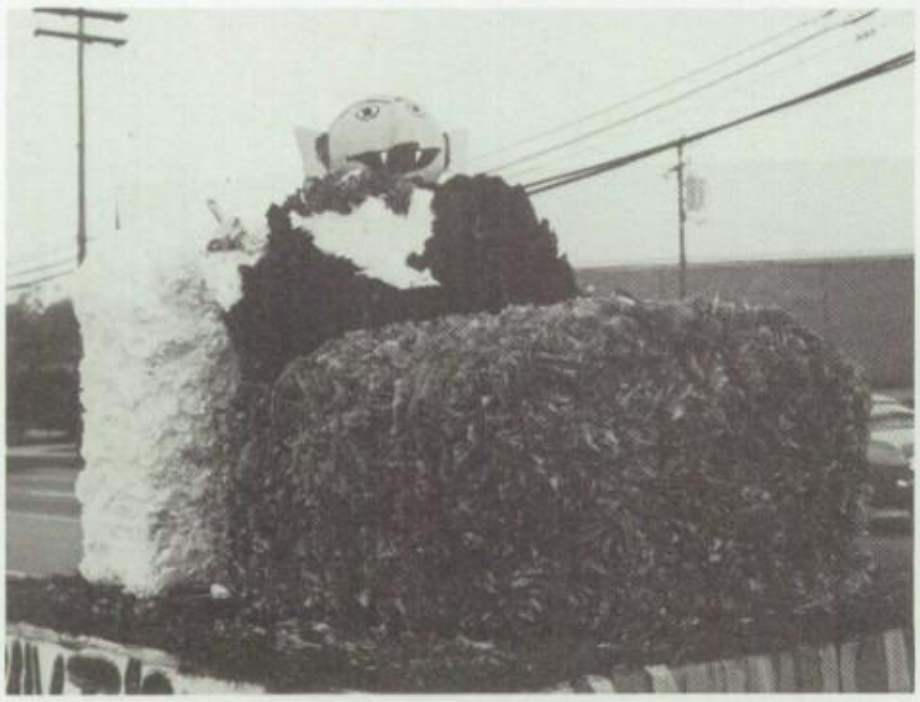
Joe Cavalier, Chris Honkanen, made an appearance at the pep assembly.



Part of a wild and crazy crowd at the game were Carrie Dale, Mirella Ciaccia, Geoff Allison, Lori Weber, and Laura Dewey.

Homecoming Week ended with the annual dance. This year, the event was held at Macomb County Community College. Music was provided by the band Adrenalin.

The Freshman class was going for blood with their slogan, "Count 'Em Out!"



The Sesame Street atmosphere came alive with the juniors' Big Bird and Oscar.

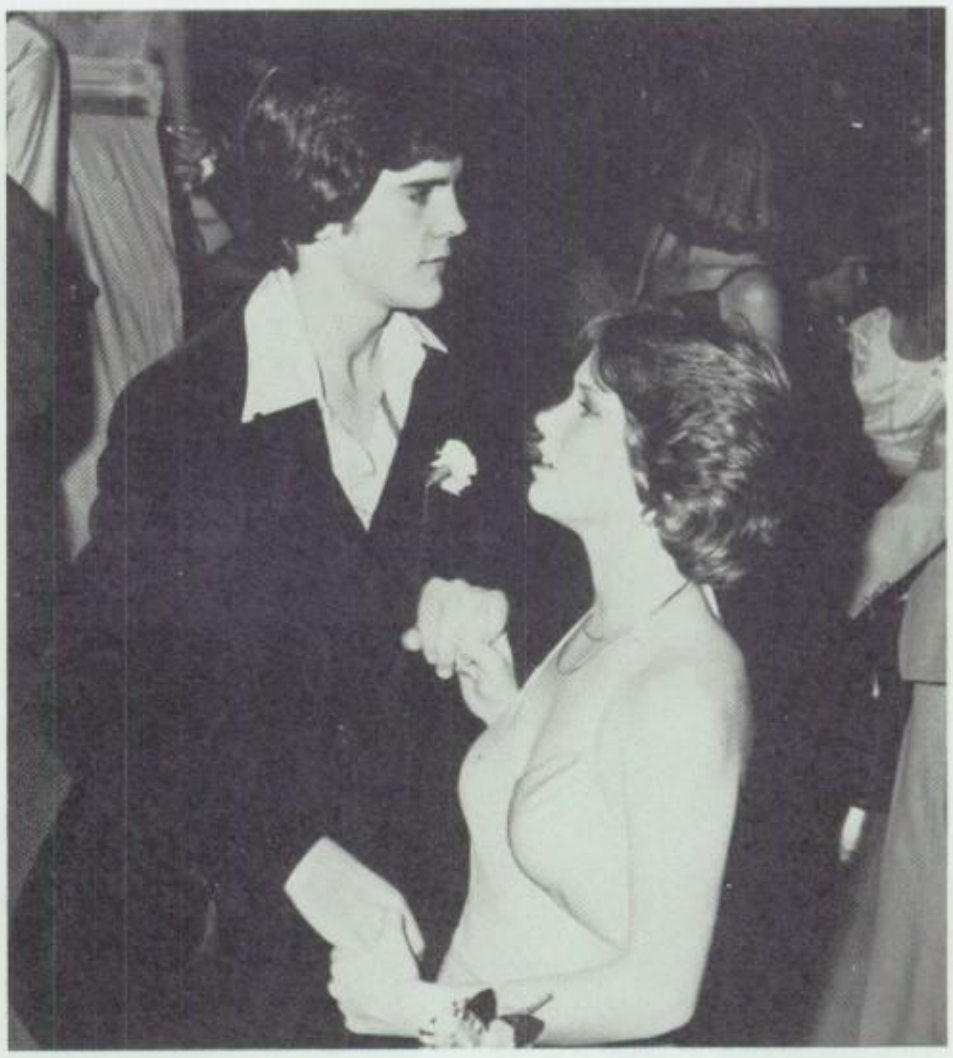
The winning float, The Cookie Monster, is accompanied by seniors Greg Busch, Carm Salvaggio, and Tim Oke.

Grover, built by the Sophomores, gives the football a kick.

HOMECOMING PARADES IN

All decked out for a night to remember are Randy King and Carol Liposky.

Juniors Tim Dickerson and Colleen Mahoney dance to the music.



Smiles, like those of Paul Jankowiak and his date, are what Homecoming's all about.

Seen at the punch bowl are Paul Francis and Gary Thompson.

The Varsity cheerleaders lift the spirit of the crowd to dramatic heights.

THE SPIRIT

The vitality of Homecoming, reborn annually, was represented through spirit week. Everyone got a piece of the action on hat day and tee-shirt day, as well as blue and gold and '50's days and the powderpuff football challenge.

They're coming to take Scott (Sumner) away, ah ha, they're coming to take Scott away!

South Lake's own brand of '50's hoods — Ron Habermaas and Tom Cetnar — victimize the innocent Kirk Oreson.

OF HOMECOMING LIVES

Back for the pass, Noreen Rybar scans the field before letting go of the seniors' secret weapon for success, "the bomb."

Vehemently protesting the referee's call is Mr. James Segodnia.

Above left: With Barb Kriszt and Beth Bramwell in the leading positions, woman power is in full force.

Above right: This glamorous twosome, Sharon Hourigan and Brian Hanser, would be stiff competition to any of the couples of the 1950's.

At left: In formation, the senior and junior girls prepare for a head-on confrontation.

W. PAUL NIELSON— I know it hurts to say Good-bye,
But it's time for me to fly . . .

KATE PETERSON—What can I say? It's been real-maaaaah! Remember the good times—A&P, Phun Physics, Snoddy Hamlet, "Is he looking at me? How can you tell?" Unofficial NHS; lunch; bizarre; "Hey Bucky . . .."; Tab girls, Metro; Pine Knob; weekly thrills; July 10-11. Why do they call you Smac? It it hard, Nor! Coming to the drive-in tonight, Sue? Watch the sun Marcia, you don't want to get tan! MSU here we come!!!

TONY RAFFIN—Marilyn Cole-"GOOD REDDENCE"

MARTA RAND—
Some say it's the end, but I say it's a start,
From SLH I must depart.
Good or bad? It's hard to say,
But "GROOVY, B.F.E." and "FREEEKY" memories will always stay.
Angie, Annette, Barb, Gina, Lori, Rosie, this will
Never be Good-Bye, but simply Good-Luck!
So many more to name, but to you I wish the same.
I love you all and much much more but now
Its time for me to open new doors.
Jewels and Liza, I wish you the best!
Party hard and study your best.
"Ya yestum dublely wupcheck shisheck!"
"SCHPEEN"

SHARON ROBERS—It's been 4 long years but we made it! We dun granulated! Seniors of '79' can we ever forget G.B.A., Panels, or Hamlet's immortal to be or not to be?

RENEE RIASHI—
The time has come to be on our way,
To leave this part of life behind,
The good times now become memories,
The class of "79."

So many friends we've shared feeling with,
For so, so many years,
So many times they found a way,
To wipe away the tears.

Teachers were there to help us learn
More than words could ever say,
The thing that they have done for us,
Will help us on our way.

Football games and special nights,
South Lake—blue and gold,
Bring silent, unspeakable memories,
Never to grow old.

Where will we be 10 years from now,
Reminiscing a laugh, a friendship, a smile,
Someday reliving those "school days,"
That have made our lives worthwhile.

RON ROSIEK—The class of "79" was great. I enjoyed the four years I've spent here. 10th grade Biology Tom, Frank, Tracy . . . "who are you." Hay! Queen (R.K.) remember the blind dates. The senior trip was great thanks to "Gloria". Two whiskey sours! No! Ice! Bambino, remember when Pine drank all our wine, HEAVE! 10:30 choke Greg. "Think so," toga party, Marie, Ginger, Karen I make a pretty good Ali. Prom 6:00 am L. B. "See ya later." Fred, remember Stan the Man at Kensington "who's green cooler is this?" "It's not my beer."

STEPHANIE RUTKOWSKI—I'd love to change the world,
And I think that's what I'll do.
I won't leave it up to you.

TONY SAGESE—"Stone free, to do what I please."

FRAN SCAPINI—I would like to share the following with the many new friends that I have met during the past four years at South Lake: Do not follow where the path leads, rather go where there is no path and leave a trail. Best of luck to the class of "79".

LORI SELENO—Shermy, Rosie, RAND! Shalhouby NO------, Gina you F-R-E-A-K, Barby, (B.B.?), Sher. We had great times, SPRING BREAK "79" (the Best!) Remember, change and grow with the times, but stay the same inside. I love you that way! To everyone . . . have a good life!

DON SOULLIERE—James M. Cook, Mick Donahue, Glenn Karkie, and "Stack," we came, we saw, and we left. Together we bathed, and were absorbed in numerous barrels of brew, only to find ourselves schussing down Boyne Highlands totally immersed in a Mushroom haze. -I saw God while listening to the American Prayer, by Jim Morrison. Thanks for everything Boys.

LYNN TERRAS—They say graduation is the start of a new life. I hope my new life will be half as good as my old one. Good luck to all of the Class of '79. Thanks for the memories.

SUE TRINGALI—Senior year has come and gone so fast. Yet, I can still remember all the good times I've had: powder-puff, prom, and who could forget the parties. Good Luck to the coming seniors and to all the seniors of "79". Shortcake

KIM VANZAELEN—They say time goes on but the times I've had I will always cherish. If the rest of my life goes the way it has been, I just can't wait. J. Geils song, "You Just Can't Stop Me" sums it up quite well. I've met a lot of different, WILD and CRAZY people . . . well you all are just great!! Take care and good luck, Kim (VanHalen)

HELEN VELAS—Saying good-bye is hard to do,
I'll miss seeing all of you,
And the crazy things we used to do.
Saying good-bye to you.
Good luck and take care.

Ranch hands for the day, Kathy and Judy pose with Mork.

Cowpoke Carol gazes out on the lone prairie.

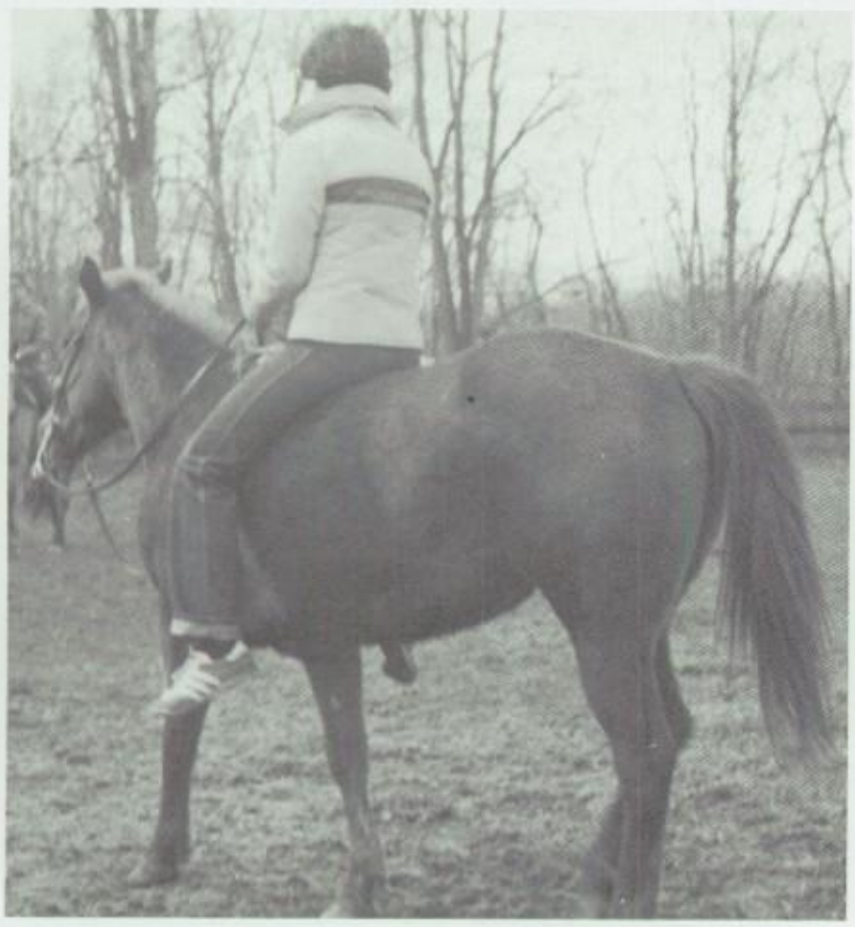
A farm cat enjoys the view from Rick Oswald's shoulders.

Carol and Barb sneak up upon an unsuspecting group of South Lakers.

HOME ON THE RANGE

Barb Metting offers a shoulder to cry on.

Sunshine beams around Linda Gumm and her mount.



They hustled and rustled up magazine orders,
So to the ranch they did depart.
A stop at McDonalds to chow down some grub,
And their day was ready to start.

The horses were brought from their stalls
one by one
And were saddled and ready to ride.
In the corral they were taught how to mount.
Soon everyone galloped with pride.

Annie rode Mork and Mathie rode Mindy,
Then off they went to a cookout.
Cari's marshmallows and DeeDee's hot dogs
Erased hunger without a doubt.

Nellie and Mirella ride out into the sunset.

TODAY'S EVENTS . . .

With gasoline rapidly reaching $1.00 per gallon, Cindy Moy rides her bike.

Michigan State's basketball is number one, celebrates Chris Honkanen.

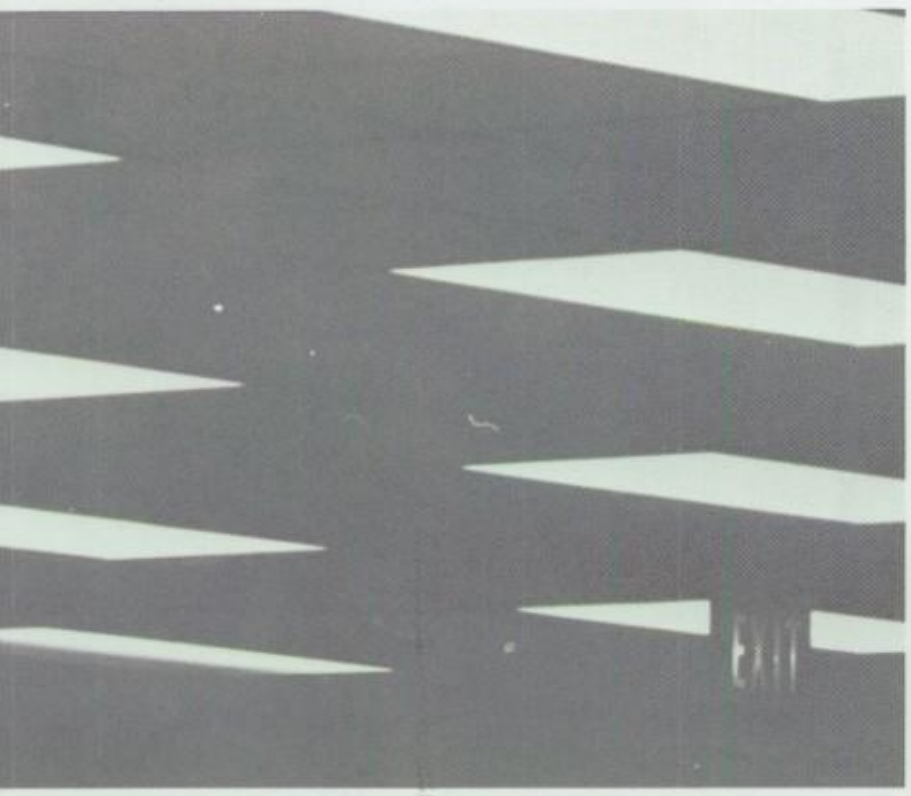
TOMORROW'S HISTORY

Following are the major events of 1978-1979. Masses of people died in Guyana following religious leader Jimmy Jones's urge for large-scale suicide. The city of Detroit was selected as the location for the Republican National convention in 1980. A devastating ice storm immobilized Michiganders and cut off electricity to thousands of local residents. The "Deerhunter" won the Academy Award for Best Picture, with Jane Fonda and Jon Voigt taking honors for Best Actress and Actor. Middle-East leaders Sadat and Begin, through the efforts of President Carter, signed a peace treaty.

Americans mourned the death of superstar John Wayne.



screens as asbestos roofing was linked to cancer.

Local news included the completed demolition of SL's annex last September.

THE STARS COME OUT

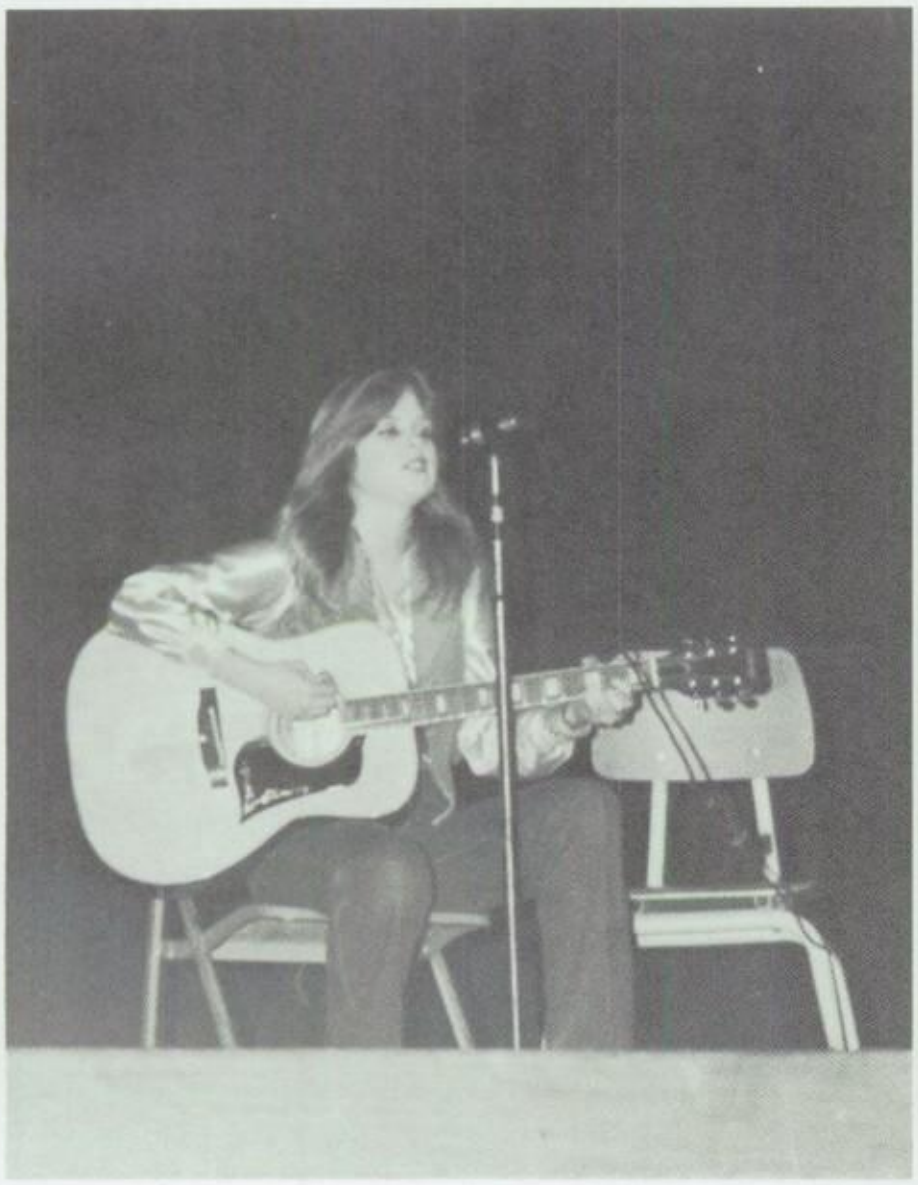
At right: Performer Alicia Fox asks to "Send in the Clowns."

South Lake's own Supremes: Donna Stalinski, Dianna "Ross" Poley, and Kathy Stalinski

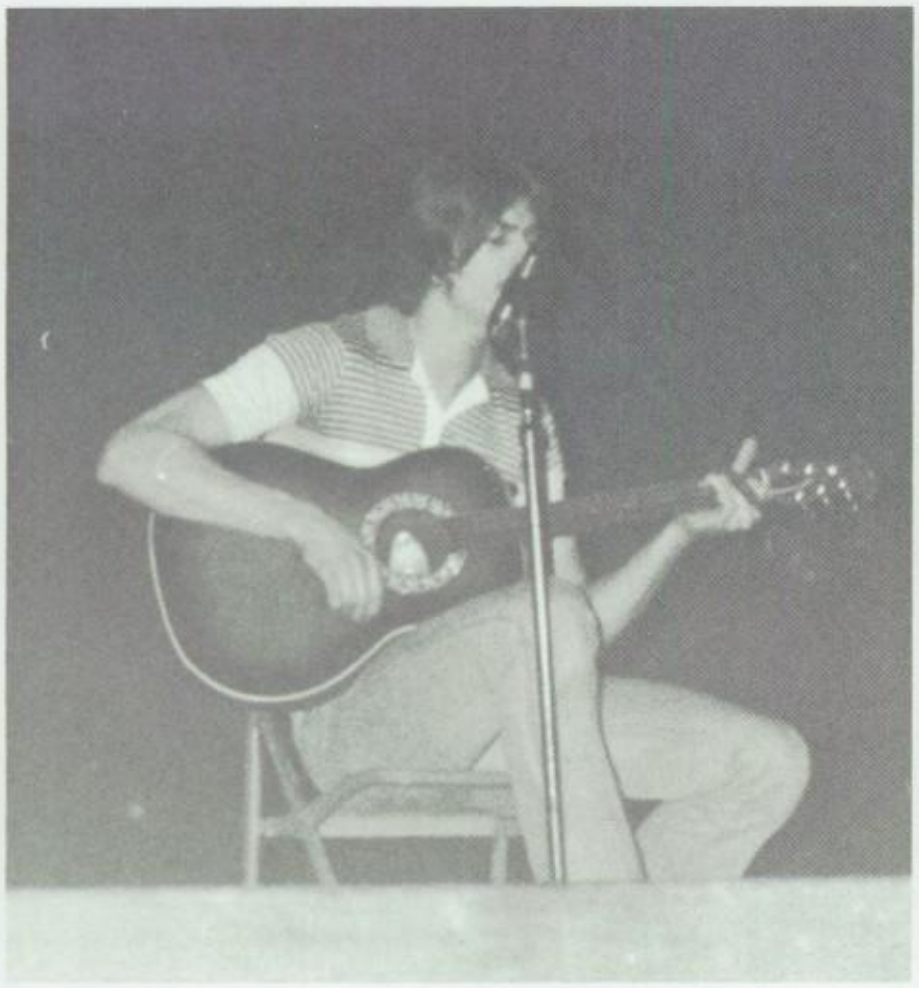
Brother and sister, Diane and Ron Braun, team up.

Accompanied by Patty Squillace, Tammy Sortor shares her talent.

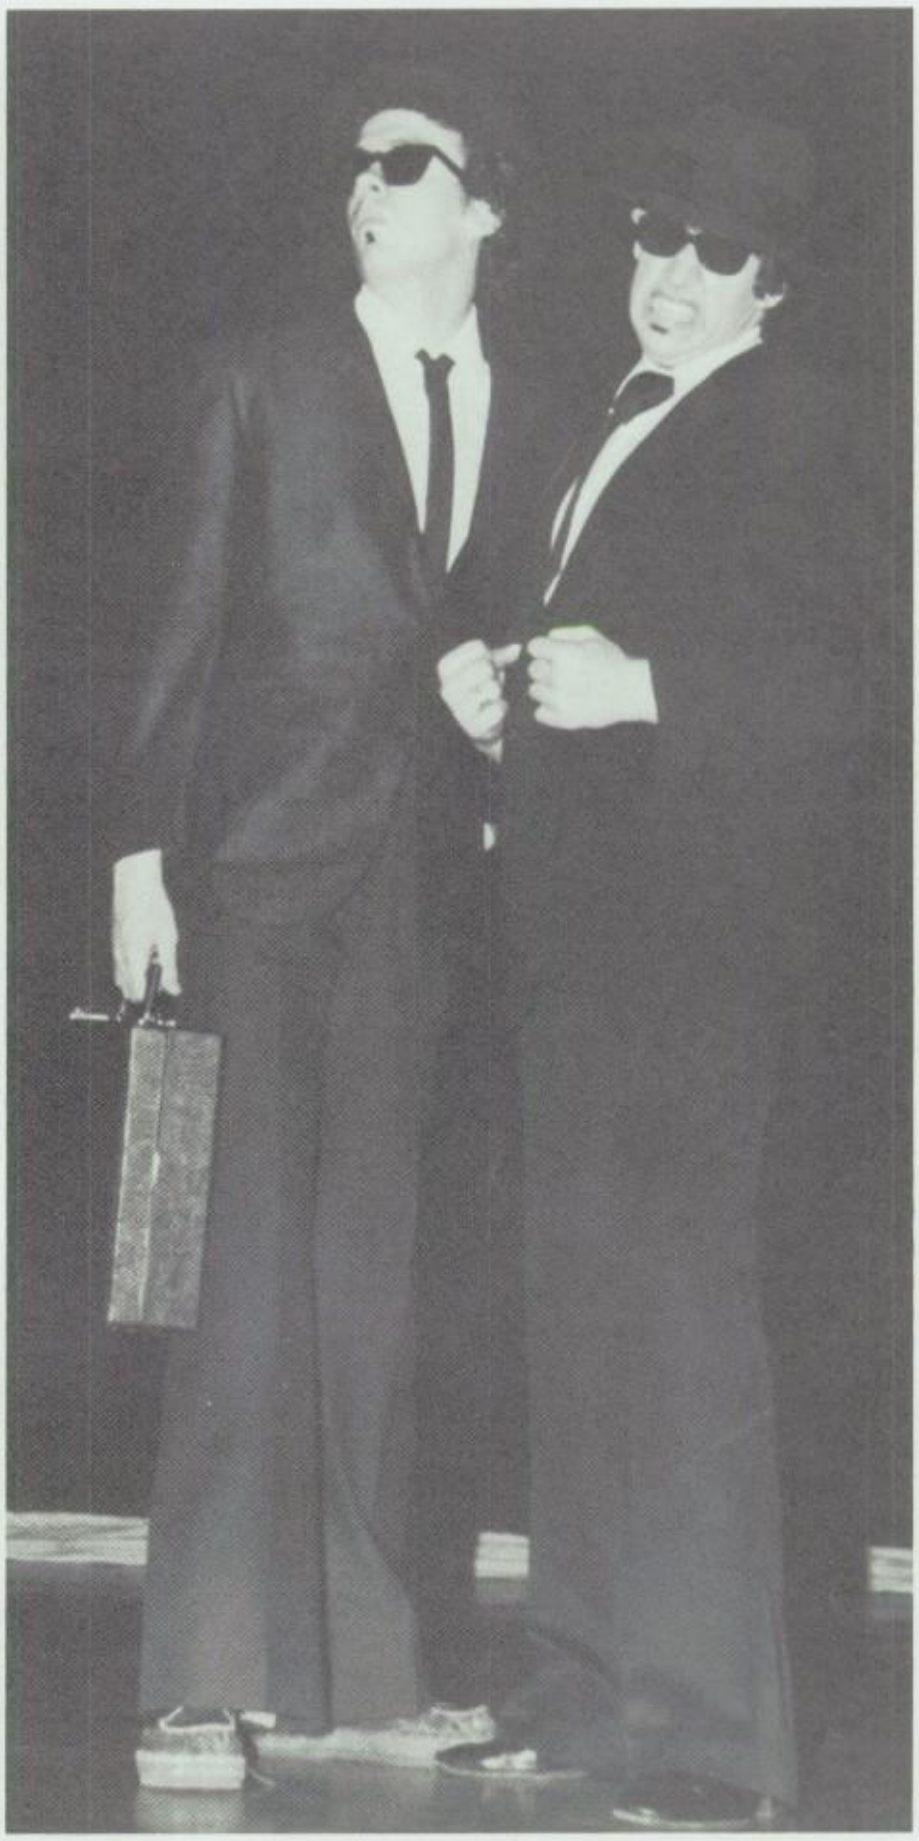
Here performing solo is Sherry Stakowiak.



Strumming and singing his song is junior Duffy Brown.



The Blues Brothers, alias Brian Hanser and Tony Amato, delighted all.

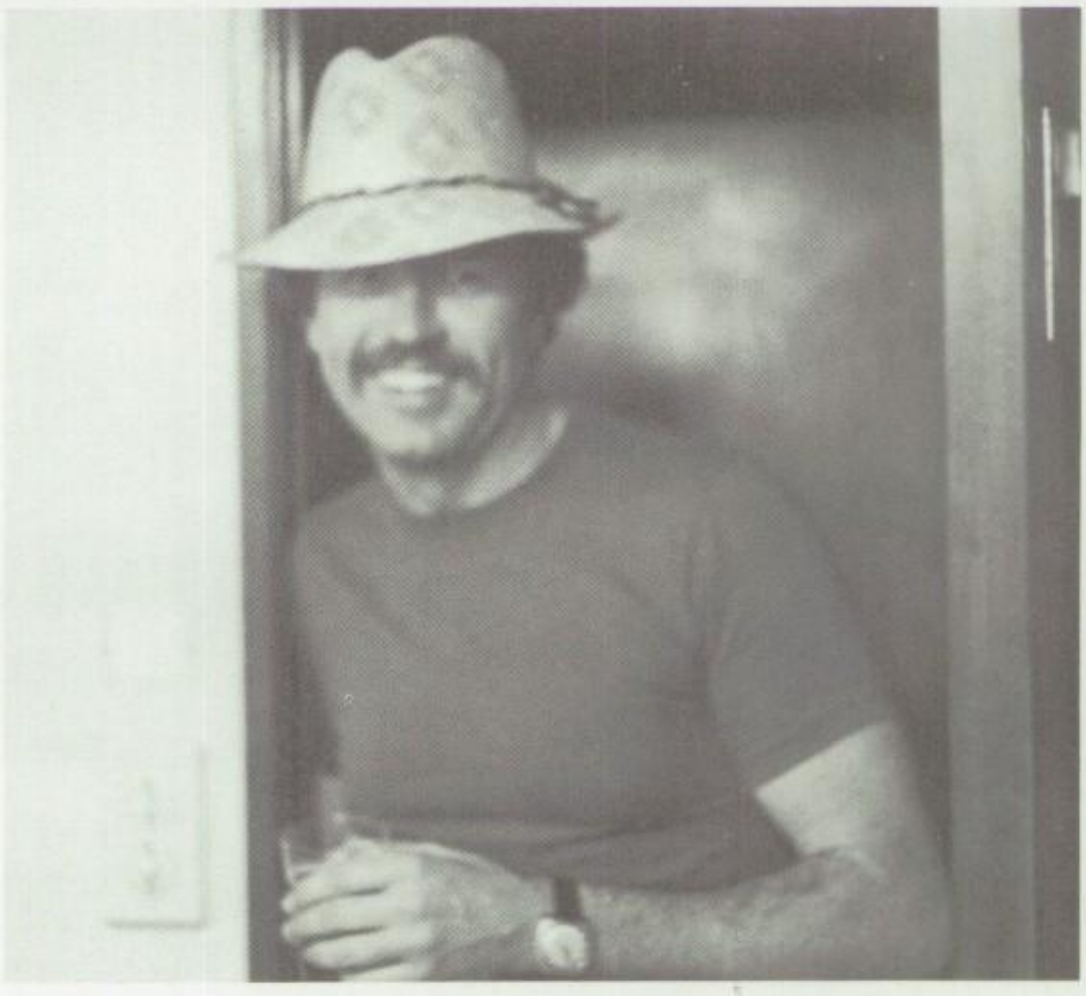


Sponsored by the SFO, 1979's Talent Show varied from past years. Containing skits from both MONTY PYTHON and SATURDAY NIGHT LIVE, as well as musical acts, the show was highly professional and extremely entertaining. Emcees Cara Pierce and Tony Amato, in a post-show interview, commented that the crowd on the whole was cooperative and enthusiastic. They added that every year, however, there are a few rude hecklers. Well, that's show biz!

SENIORS CRUISE

We boarded our ship, Flavia,
And set sail in the Atlantic.
The first day we spent moving in.
It, all in all, was frantic.
We ate at the first sitting
And were served by Italian waiters.
Dominic, Jose, and Tomasso
WERE NOT woman haters.
Our mealtime serenader
Sang us many a foreign tune.
"Good-bye Bambina" and "Volare"
Were our favorites soon.
Capri and Riviera Lounges
Provided music with a beat,
For the cruise ship's disco crowd
To really move their feet.
Food was always very good
But some could never eat.
A rolling ship, some soon found out,
Is not always a treat.
The second day we docked in Freeport
And got off the ship.
Sunny beaches of white sand
Were reached by taxi trip.
Taxis drive on the left side
Breaking the speed limit.
The way they dodge oncoming cars
Makes many tourists timid.
We went to International Bazaar
To look and shop,
Then to Xanadu to swim —
We didn't want to stop.
Nassau was the next stop on our
Senior pleasure cruise.
Straw Market and its handmade goods
Made it hard to choose
The perfect souvenir for those
Who stayed behind.
Bargaining with the natives
Isn't easy, so I find.
Sand and sunshine drew us
Like a magnet to the beach.
A ride on a "glass bottom" boat
Brought "paradise" in reach.
A luau put the final touch
On our Nassau stay.
Ginger eating fire was quite daring
I must say.
In the Gong Show Sue performed
Her mime and took a bow.
Thus ended our cruise to the Bahama
Islands — Ciao.

Waiting to board the plane are Kathy McGregor, Fran Scapini and Tammy Moroney.



Chaperone Dr. Champine is certainly enjoying the trip.

SENIORS' LAST FLING

After the last day of school
And one day before graduation
Came the class of 79's
Banquet celebration.
Meatballs, chicken, pasta, too
Were eaten with great pleasure.
A slide show of the last 4 years
Brought memories back
to treasure.
The DJ's came, the music
played,
The dance floor soon was full.
The mock election winners were
Announced with much ado.
Then there was a disco contest.
Tom and Gigi won.
As all became one "family"
Our senior year was done.

What makes a school? Classes, activities, clubs? No, people are the true backbone of a school. Classes come and go, each bringing a new nature to the school. As freshmen, we become part of South Lake, a single brick in its structure. As graduating seniors, we take our piece of South Lake and carry it with us through life.

On June 8, 1979, at 8:00 p.m., Ford Auditorium was filled with anxious graduates, friends and family, faculty, and distinguished guests. The ceremony began with an invocation by Reverend Smith. The graduation address by Caralee Daugherty followed. The top ten students were introduced. In total, 400 students were graduated, 90 of them with honors.

Four of the top ten students, Richard Oswald, Athena Mitchell, Theresa Obrzut and Lori Weber, are presented on stage.

SENIORS

Concessions

In order to raise money, the 1979 senior class operated the concession stand at all home football games. Offering such gourmet delights as hot dogs ala Kracht, pop, hot chocolate and other goodies, the concession stand netted large profits. The money was divided among the students who participated and paid in merit points, which could be used for various senior-related expenses such as pictures, cap and gowns, senior trip, and prom tickets. At right, Mr. Kracht, senior sponsor, offers one of his culinary specialties to Lori Buccili, who obviously relishes (pardon the pun) his cooking skills.

Besides the concession stand, seniors also raised funds by selling magazines, tee shirts, and flowers.

A few of the local personalities in Mr. Allison's psych. class.

WORDS TO

ROSALIE ALUIA—Best of luck to the senior class of 1979. Happy times may come and go, but memories last forever.

TONY AMATO—To Popeye, Bruiser and the gang. Agagagag!! Amats

MARCIA BAST—Success is not measured by what we are. It's measured by what we are compared to what we could be. It is not measured by what we do, it's measured by what we do compared to what we could be doing.

LISA BEISER—Thank you Denise DiLoreto, Sue Cruice, Monica Liagre, and to a very special person to me, but I don't think he really knows how special, Dino Taiariol. Thank you for making crazy, dizzy, Cruicer and Mee, and for all the fun times we've had together, Roma, Gratiot, Eastland, Gas Station, Basketball, football, hockey games, B-K, Cheerleading! Thanks to all those who helped make 79 fun. Remember Bummer? Be cool? Maintain! Check that out! For today is the tomorrow we dreamed for yesterday, and all the memories I'll cherish after I move. Good luck 79! Thanks for all the memories at South Lake!

LORETTA BUCCILLI—"It is better to be small and shine, than to be tall and cast a shadow." Thanks Jam, F.S., and Dev and everyone else for a great four years of fun. Remember the two blind ladies? The swim meets? The football and basketball games.? Running in the halls? Saying crazy things? Float meetings? All the crying and laughing? The good times and the bad? The thrill of victory and the agony of defeat? Thanks again! Good luck to everyone, I hope you all get what you want out of life. Keep in touch!!

RACHELLE CANTIN—To all my friends at the physics table and the lunch table, Mary, Barb, Carol, Bev, Patty, and Patience: You are a great group of people and I just want to tell you all how much your friendship means to me. I will never forget all the wonderful times we've shared together. Thanks for everything.

SUE CATALINE—How long till lunch? Only 58 more minutes of this Ckhud! Is this class 58 minutes or 58 years? DON'T look at the clock! This is unreal! We have . . . no eyes! Good dead things! How was breakfast? WWTB FM. Don't fall asleep now, Smac! GO AWARY! You want a snow cone? What's in the bag? COME 'ERE! Well, I gotta go now! How long is it till lunch?

MIRELLA CIACCIA—As my final year at S.L. comes to a close, I can say that S.L. and its people have taught me so much about myself and human nature. My memories are of the funny/sad, bitter/sweet things I've experienced at S.L. I thank my closest friends (Cari, Chris, Carrie, and Lori) for allowing me to share my craziness with them. Chris (remember the Ren Cen and "The Fruit is Ripe?" and Arnie S.), Carrie (white sandles? —damma?), Cari (scuba diving, dipper, broken shoes, Good-by Bambina?, the bus ride in Freeport, your speech), Lori (my fellow Mad Chemist, Rosie O's, "Annie"). Never will I forget the Flavia, the Bahamas, or Genia! And so many more special memories and special friends that race through my head . . . my regrets are few . . . only wish I could've gotten to know more of you better (not just as a name and a face or a passing acquaintance). Health, Happiness, and Success to each of you. Ciao. ("hello" and "good-by")

ANGIE CIARMITARO—The year started slow
And ended up fast.
I wish we had more time,
But now it's past.
To the good times we had,
And the times that were good,
We partied just the way
Everyone should!
Now it's time to say good-bye,
To the class of 79.
My, it was pretty fine.

JIM CICCHINI—For those of you who remain at South Lake for another year, or two, or three, I hope you have as good a time as I had me. They say I'll be moving on to things which are bigger and better. But I know these four years at South Lake are ones I'll remember forever and ever.

REMEMBER ME BY

LINDA CLEMETT—Bushka "67"

VIRGINIA CONRAD—You Bush! You Brat! We made it!

LAURINDA RAE COOK—A mirror is
The reflection of your body.
Your work is
The reflection of your mind.
Your emotions are
The reflections of your soul.

MARTY COOK—High banks, Bud, Mr. Natural, Nils, Florida, the boys, Boyne, Kegs, Kays, Gumby, Canada House, Maui Bud, peace and love to everyone who made it possible.

RHONDA CUMMINGS—These are the years we've waited so long. These were the tears we sang with our song, These are the memories that will always belong. Good luck Class of 79.

DENISE DANIELSON—Graduation Lament
Today's the day I graduate:
To this school I come no more.
This my goal of the past twelve years,
Is what I've been waiting for.
The days were laced with fun and games
Along with my growing up.
I've developed a personality-
I've had to measure up.
Not only on tests and with teachers,
I had to make it with my peers
And now that the struggle is over
I feel like shedding tears.
I'm going to miss my classmates
And the teachers's constant calls.
I'm going to miss the notes and such
We passed along the halls.
With the diploma comes a sad thought:
My adolescent years are gone-
Now, I must face reality.

CARI DAUGHERTY—As I move on into life, there are many fond memories I will carry with me: Finally winning a tennis match; Doubles partner Diane; 3rd place senior bowling team; Yearbook madness; Grit's driving; Bahamas-first sitting-broken shoes-scuba diving; S.L. Lifeguards; Marla's perm; Good friends Chris the jock, Mirella, Carrie Lori, and Greta; French class; VIP pistons seats, and finally the graduation speech. To those who spoke to me at Balsamo's party, the kind thoughts about my speech highlighted graduation. To the class of "79" I wish you all the happiness and success in the world.

MICHELE L. DEMEULENAERE—Imagine . . . Yokums "67"

JEAN MARIE DICRESCE—There are people who have let the problems of today lead them to conclude that for them life is not that way. But every problem has an answer and if yours you cannot find, you should talk it over to him. He'll give you peace of mind. When you feel your life's too hard just go have a talk with God. (S. Wonder) It's been great! I hope all your dreams come true, Bino

LINDA ENGELHARDT—Good Luck to the entire class of "79"

WILLIAM FABA—
As you ponder on through life friend,
Whatever be your goal,
Remember, keep your eye upon the donut,
And not upon the whole.
Never give a gun to ducks!

JUDY FILIPPONE—It has been great knowing the Class of "79". I hope this isn't the end. Good luck with whatever you all do! Thanks for all the good memories! We made it! P.S. Thanks to that special friend.

PAUL FRANCIS—Parking lot in the morning, the boys in Print, Kay's Kitchen, Breakfast Special, Hayride, Florida, Prom, Up North, parties, graduation. It was fun and it went fast but now it is all in the past.

MARCIA FRASH—I'll always remember the great times I had at old SL. There was lunch and then . . . "The Gap" and then lunch again and "Fun with Physics" . . . and Locker clean out . . . and Lunch . . . and then again there was lunch. Coming??? Lousy guys, shot gunned, Cannon it, Boom!Boom!, Hit it hard, SAPS. Do you wanna Sno' Cone?

ROBERT GIANINO—Good Luck

Always remember today is the tomorrow we dreamed for yesterday.

PATIENCE GRANAAS—Dedication
I dedicate myself . . .
. . . not only to strive
For the goals I have set,
But to meet them and set even more.
Not only to hold
To the dreams I have had,
But to dream greater dreams than before . . .
Not only to enjoy
This land and it's wealth,
But to make it a better place to live . . .
And not only to take
What I can from this life,
But to love and to generously give.
Mary Alice Loberg
P.S. We'll always make a good team. I can't believe we're friends. Bye Skipper! Ma R. you're great! Mrs. Kienle, you taught me a lot. I thank you all. And a special thanks to all those wild and crazy physics friends.

Kim V., we've become pretty good friends this last year and you helped me out more times than I can remember. Thanks for everything. Good luck! To all the underclassmen, high school can be tough at times and all you want to do is give up, but don't because the time will come when you can sit back and say I did it, I finally made it! Darlene and Andy, what can I say? We made it. You're the best friends anyone can ask for. Thank you for everything and always remember the fun we had. Good luck to both of you. The class of "79" is fine.

To stand tall in the sunlight.

TAMARA L. MORONEY—There exists a need to express myself to others, to allow others to see my image and to accept it or reject it just as I have . . . I am alone. I am influenced by sights, sounds, persons, events, values, meanings-history. And yet, it is I who must choose. It is I who must be; it is I who must live.

TONY MUSTO—"Breakdown"

KATHY MCGOLDRICK—"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now . . . for I shall not pass this way again.

JUNIORS

Here representing the junior class spirit at the homecoming powderpuff football game are Julie Abele, Doreen Wickware and Patty Asher. The junior class has held many fun projects, including several successful fundraisers. The sales of candy canes, flowers, and baked goods have financed junior-sponsored activities. Though bad weather cancelled the fall hayride, spirits weren't dampened, The juniors came back, and a block-buster concert by the rock group, "Sky" entertained many. Homecoming week also proved very successful for the enthusiastic class of eighty. The juniors ran away with Blue and Gold Day, received second place in their powderpuff game against the seniors, and made a float any class would have been proud of. The juniors indeed have had a great year, and look forward to an even better one as seniors.

The jubilant, high-spirited junior powderpuff team motivates before mortal combat with the senior squad. Here we see Doreen Fraits, Vickie Gorgon, Debbie Muse, and Peggy Barshaw as they gear up into a victorious state of mind. The "positive mental attitude" was broken, however, when the overbearing seniors trounced the girls' best efforts. Nonetheless, the juniors proved to be top contenders for the mighty match of Homecoming '79.

As sophomores, students have a larger selection of Physical Education classes. One of the options includes a unit on bowling in which students bowl daily at Shorecrest Lanes. The class is split into several divisions, each consisting of members having similar averages. The groups participate in self-contained tournaments in which students form teams and compete against each other. The champions receive trophies, signifying their hard battle and fierce competition. The winners this fall were Scott Ganetson, Dan Chetcuti, Ted Dumas, and Joe Hoffert.

SOPHS PARADE IN

Riding in style to the homecoming game are Sue Thompson, Joann Gory, and Mary Smyk. The pom-pon girls, donning new uniforms, added many new faces to their squad this year. The girls performed regularly at home basketball games to such popular disco songs as "Shame" and "Freak Out". Here, we catch a glimpse of the three soph's exuberant style.

SOPHS RESEARCH POTENTIAL CAREERS

When young, one wonders, "What will I be?" Visions of firemen and circus clowns fade as life progresses. Suddenly, one faces the big decision. What once was left for seniors now is done on the sophomore level — career research. Under the instruction of SL counsellors, sophs investigated areas of interest. Information on training, job availability, and income was provided via computer. SL's goal is better preparation for later life through class selection.

FRESHMEN

Just because freshmen are new on the South Lake scene, it doesn't mean they don't share the school spotlight. At right, freshman Charlotte Haag is a voluntary victim to Crazy George Perry's hair-raising antics. Crazy George, direct from the Detroit Pistons, performed during the winter basketball assembly. The question still remains — was he a "nicker" or a "flicker?"

ACADEMICS

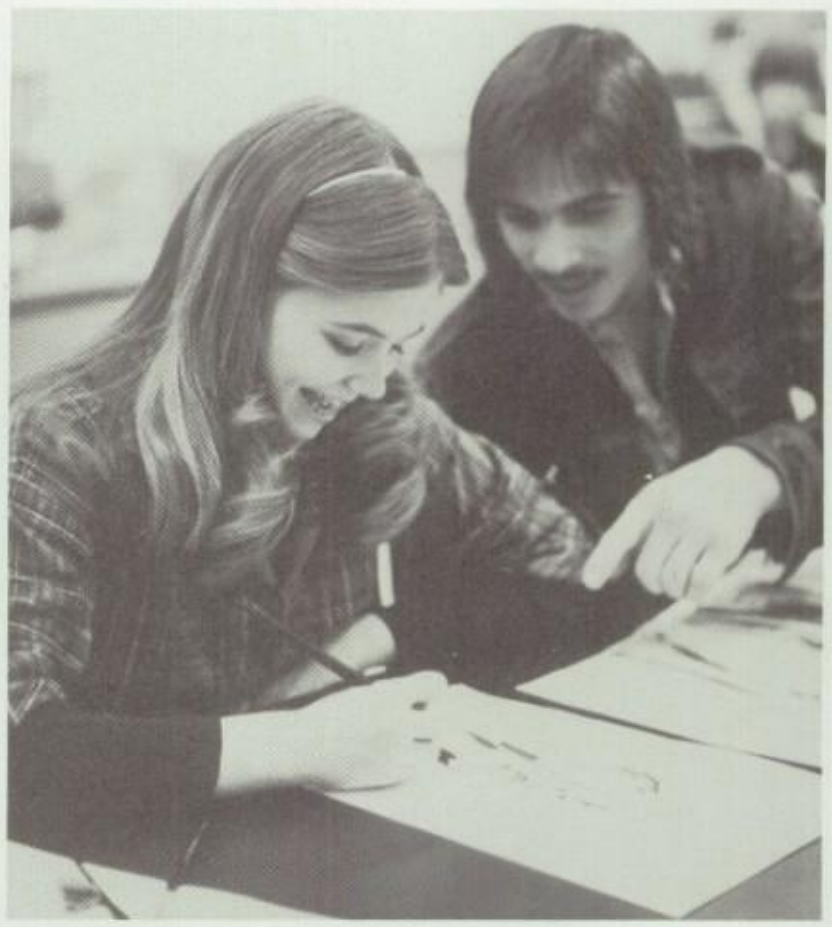
Chemists Debbie Dacey and Sue Bidigare perform an experiment.

THE CREATIVE ARTS

Senior Kelly Jones, labors studiously over her art work.

Student Harry Andary reaches over to help a fellow student.



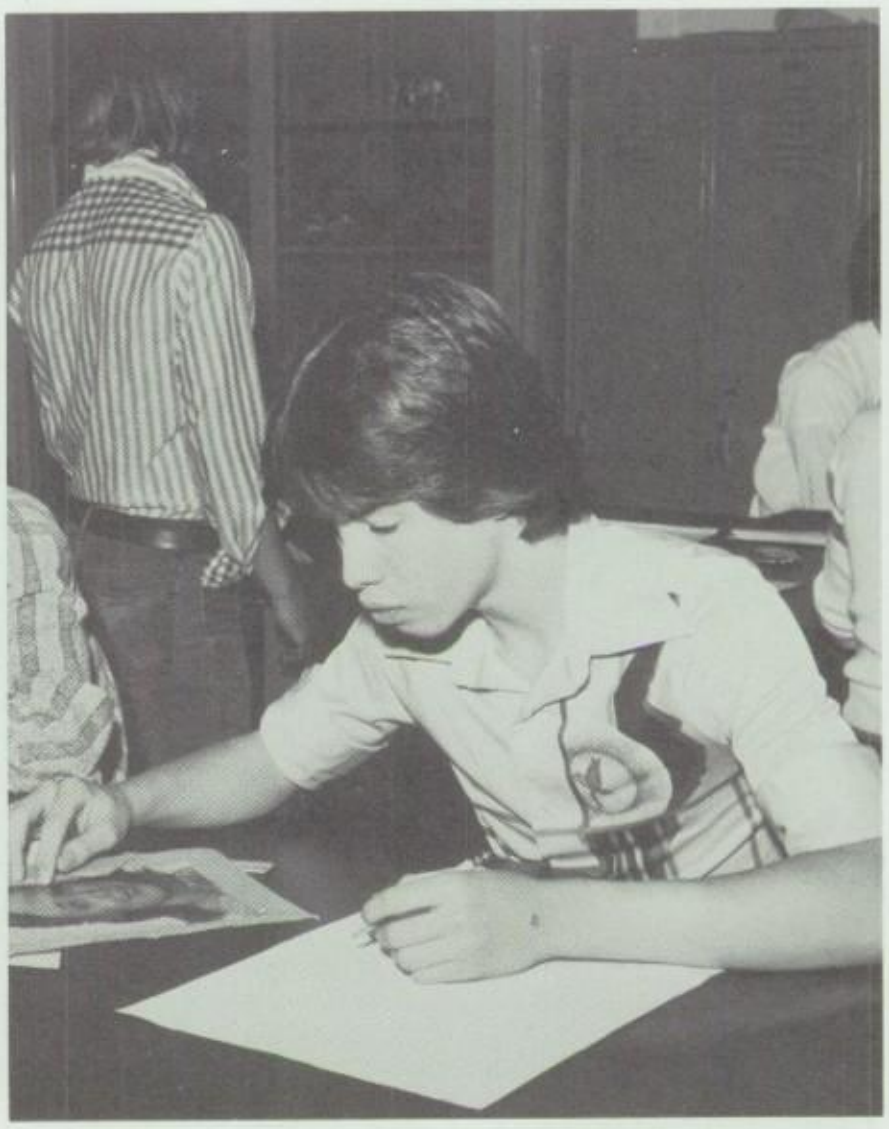
South Lake offers many interesting art classes. The first class one takes is Design, followed by Lettering, Ceramics, Illustration, Painting, etc. The highest point in art at SL is a class called Portifolio.

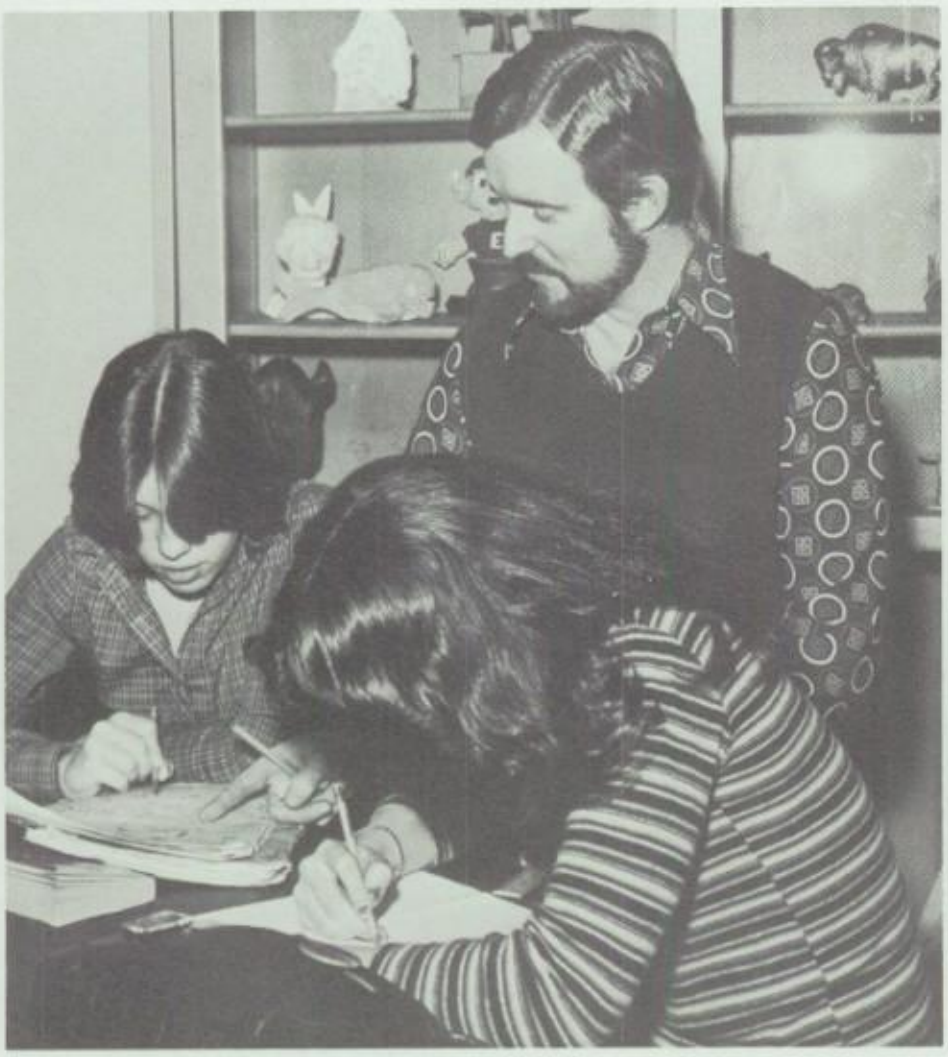
Various students' work was displayed throughout the year in front of the main office. These artists include Helen Velas, Diane Rademacher, Carrie Dale, Sharon Wesley, and Jeff Wittman. Also, several art students contributed their creations this year to AURORA, the school's Creative Arts magazine (editor-Laura Dewey). Ruth Habrecht, Cindy Moy, Ginger Czarnecki, and Colleen Steiber were among the featured artists. The cover of this year's CAVALIER yearbook was done by Ms. Julie Jaworski, art instructor.

Right - Instructor Mr. Fralick helps out Laura Margiapane.

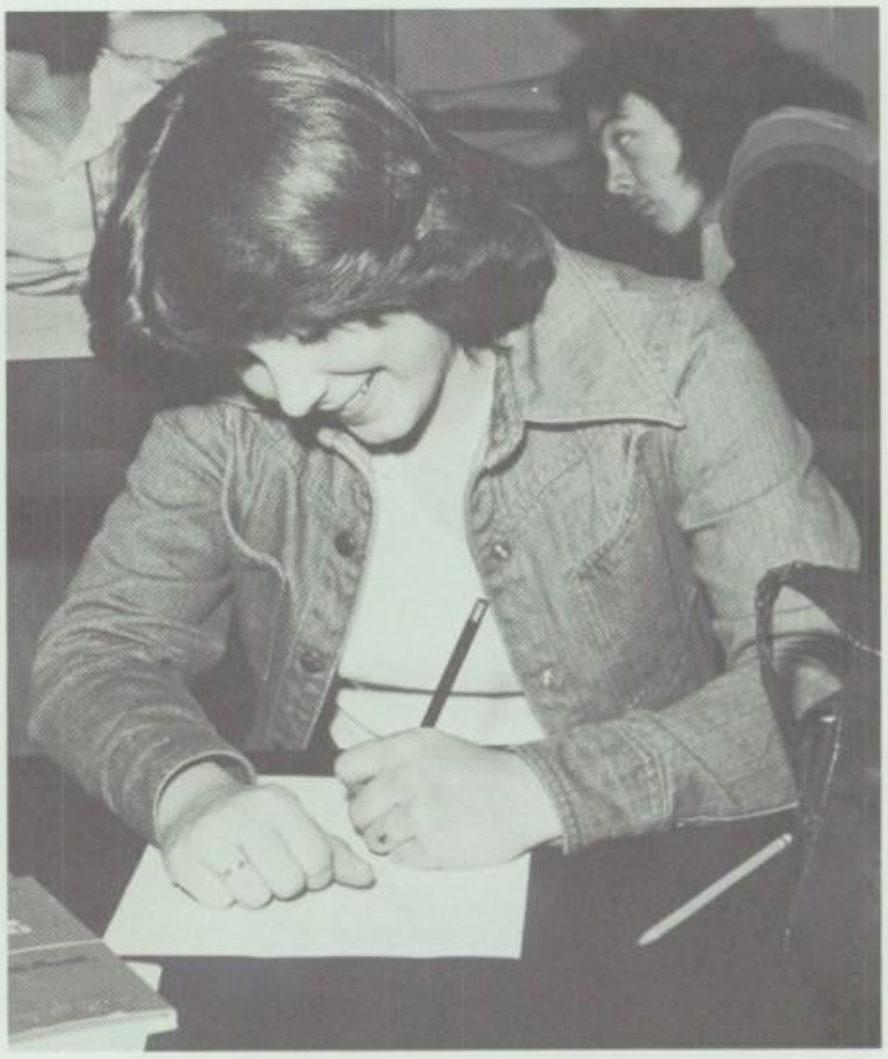
Concentrating on her ceramics is art teacher Miss Jaworski.

Drawing a freehand portrait takes concentration as shown by Robert.





Students receive some friendly advice from Mr. Fralick.

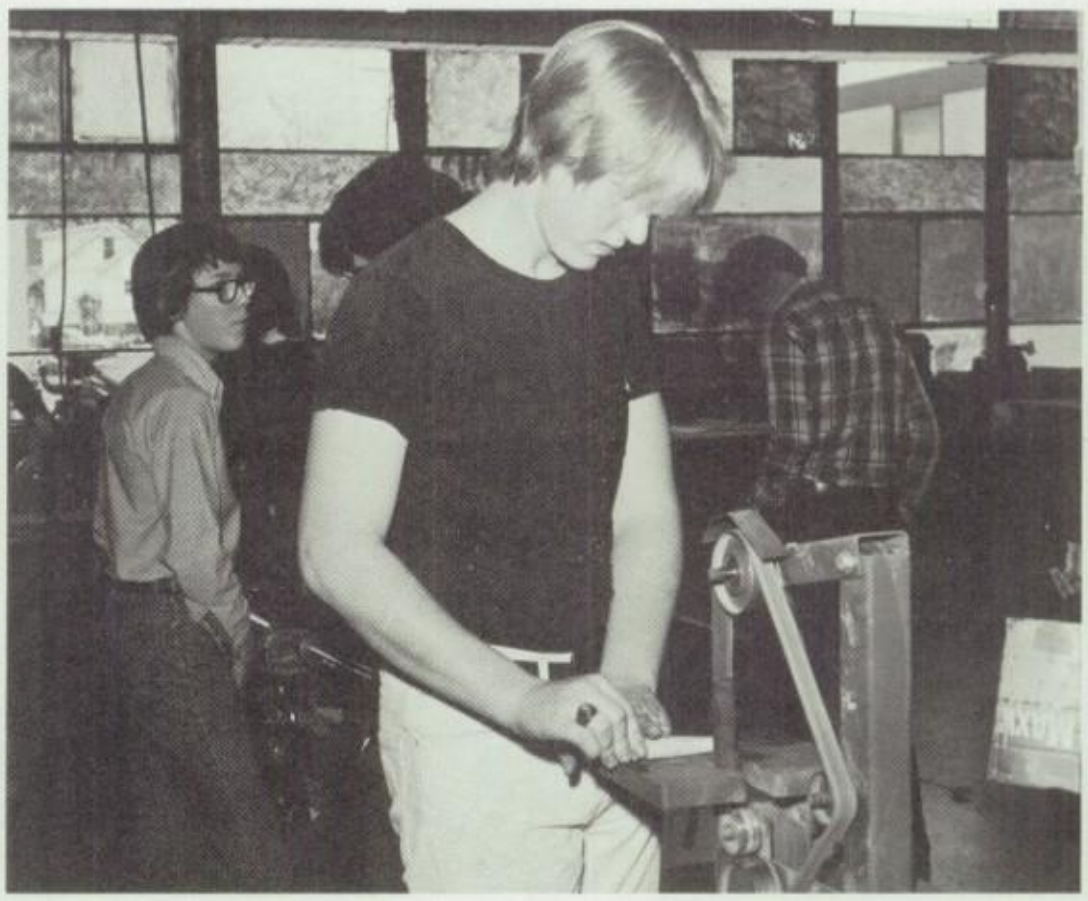


Art student finds it hard to draw while her picture is taken.

SODDER

Applying metal shop know-how is Jim Jarrett.

Sanding down a piece of wood is Bob Books.



As Mr. Elliott looks on, Tim Fox sands a panel of wood.

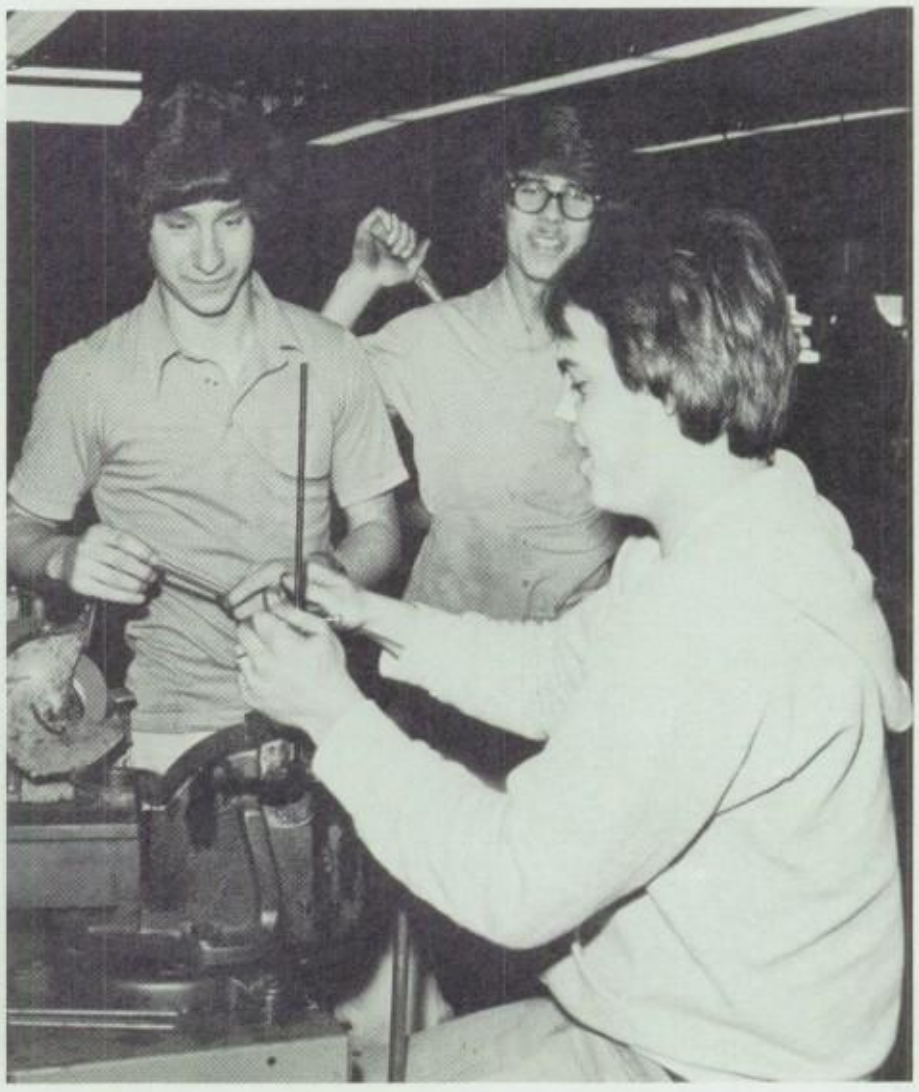
Operating a metal shop machine is Kevin Kubisiak.

AND SAW

Working at the sodder machine is Mark Holsbeke.

The vocational classes, metal and wood shop, let its students construct. In wood shop, students make chairs, tables, and the like. The students are taught the needed skills to sodder together metal pieces, sand wood panels to make them level, and to use specialized machines.

Sanding a plank of wood is Paul Heffner, taking his directions from Frank Catanzaro.



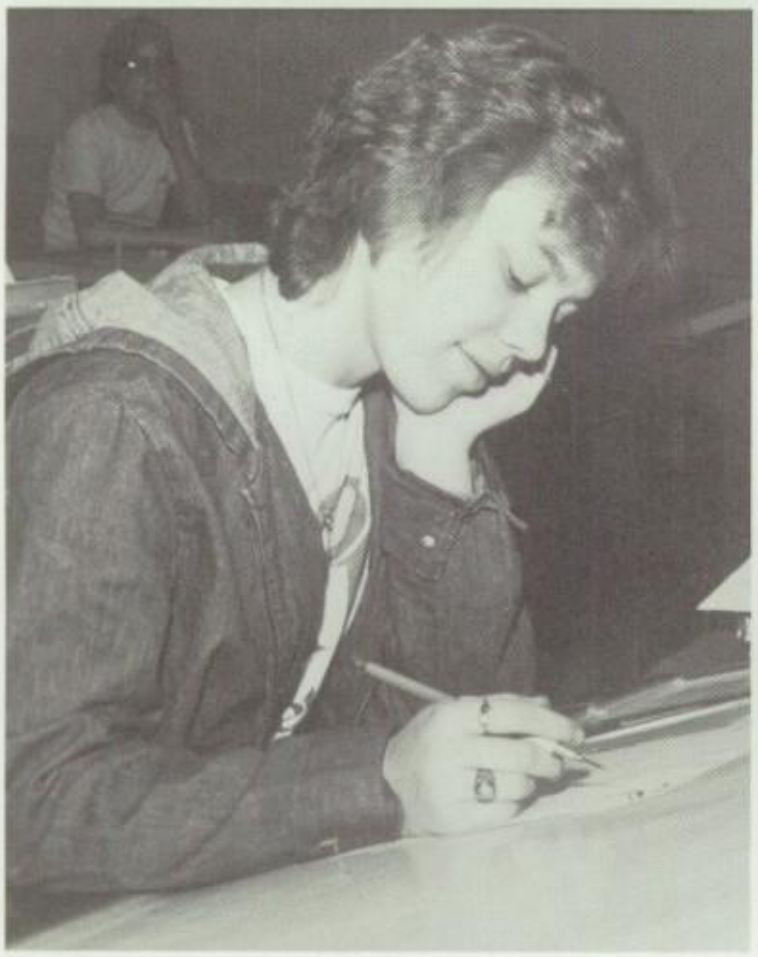
Working together are Mike Cook, Ron Rosiek, Tracy Denny.

STUDENTS DESIGN,

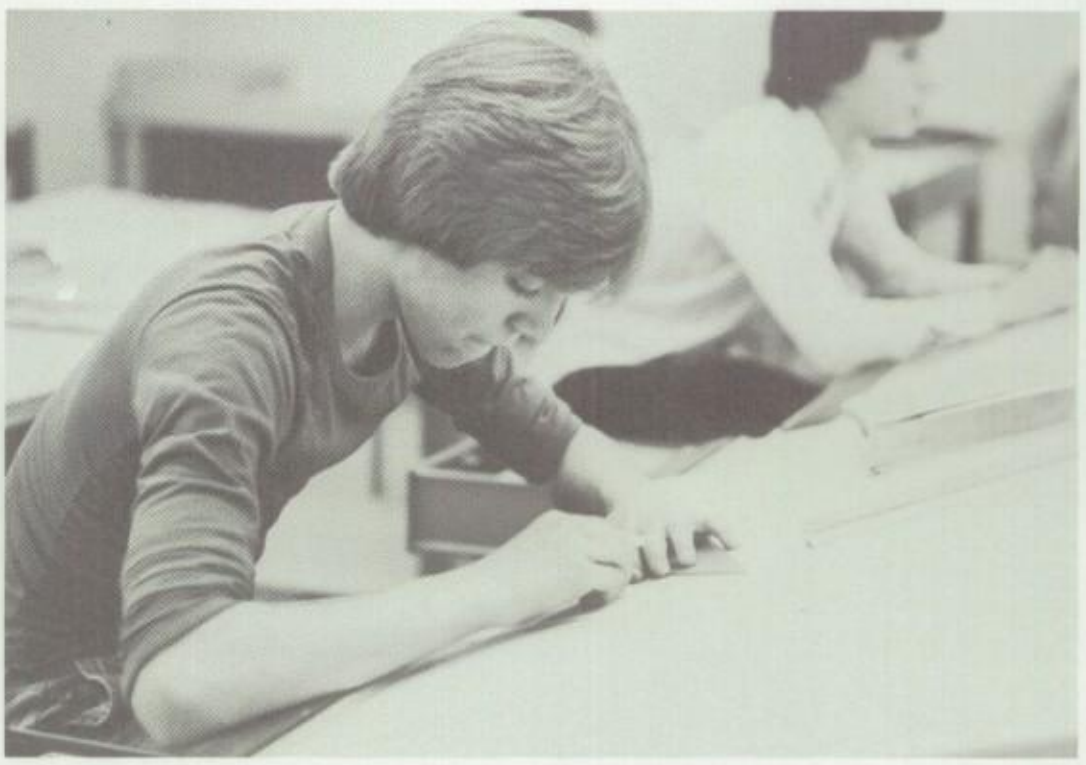
Auto shop instructor Mr. Ikeda shows Don Abdo how to handle the torch.

South Lake's auto shop stepped into the spotlight as they succeeded in rebuilding a Toyota Celica, the finished product going on display at Rinke's Toyota.

Receiving some help from Mr. Lawrence is mechanical drawing student Craig Miserlian.



Proving that not only males can mechanical draw, Luann Schmidt holds her own.



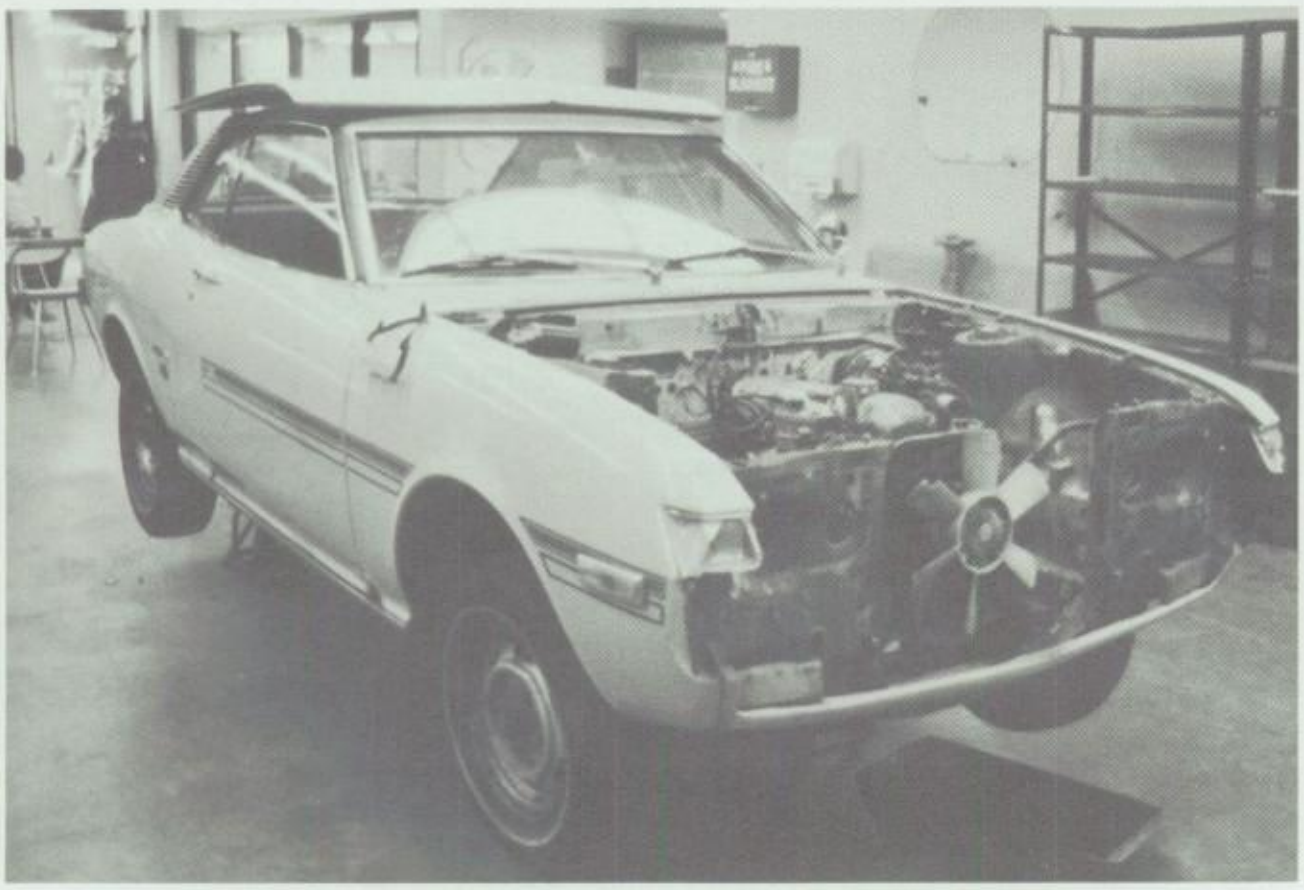
Carefully, Ken Spear constructs a design.

REBUILD, AND BROADCAST

Ready to broadcast, Greg Busch and Mark Marino check over the equipment.

This year, the electronics class revived South Lake's own WCAP, a fully-licensed radio station. From the DJ's to the advertising managers, the station was 100% student staffed. Through financial support from local businesses, WCAP was able to broadcast daily during lunch breaks.

The workings of SL's Toyota receive the attention of Dave Gunter, Frank Aiello, and Tom Visger.

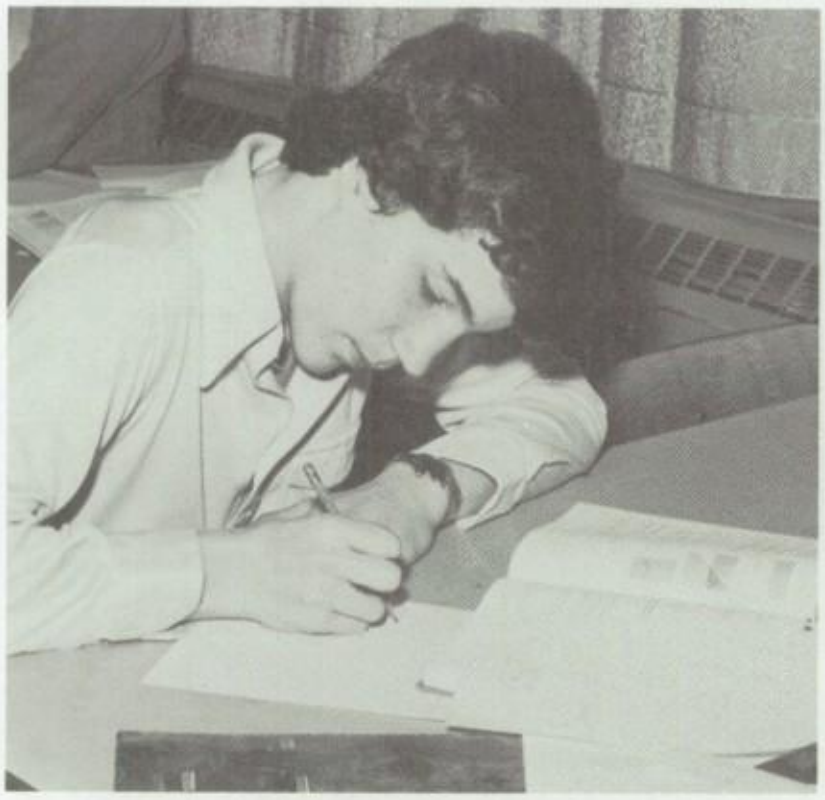


Auto shop students Dave Gunter and Tom Szlachta participated in the Chevrolet Trouble-Shooting contest. The team placed first and continued on to the nationals in Indianapolis.

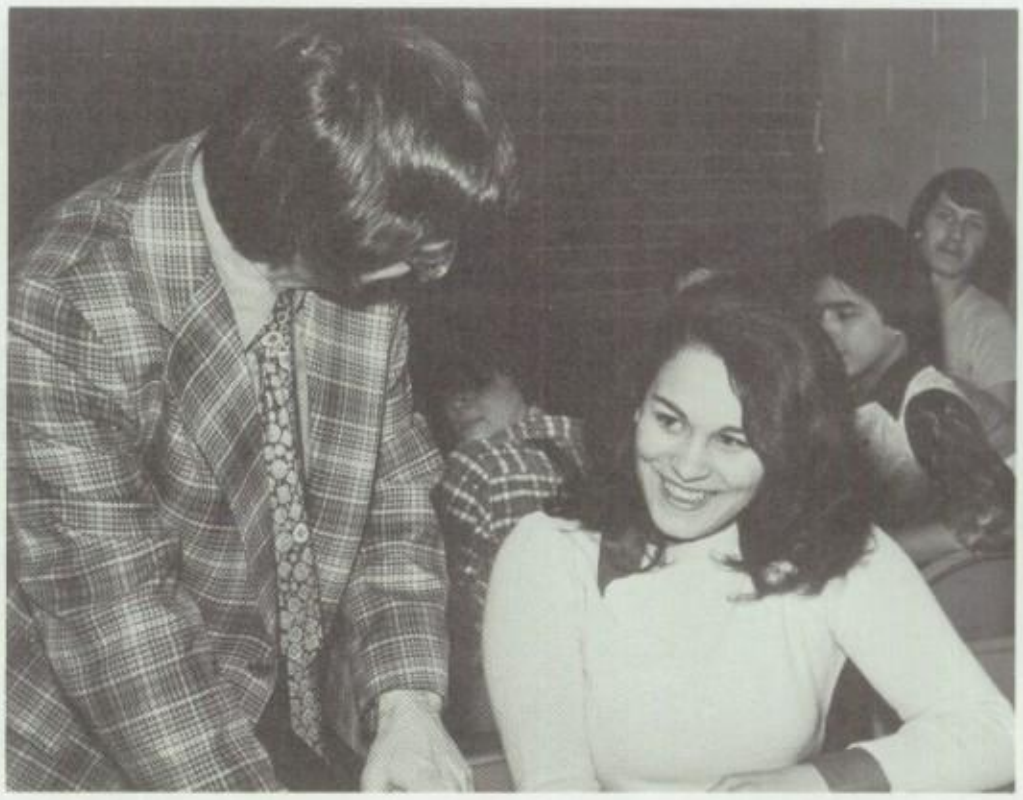
In the process of being rebuilt, the auto shop students put special work into remodeling the car's engine.

TAKE YOUR COSINE AND

This student practices to make perfect.



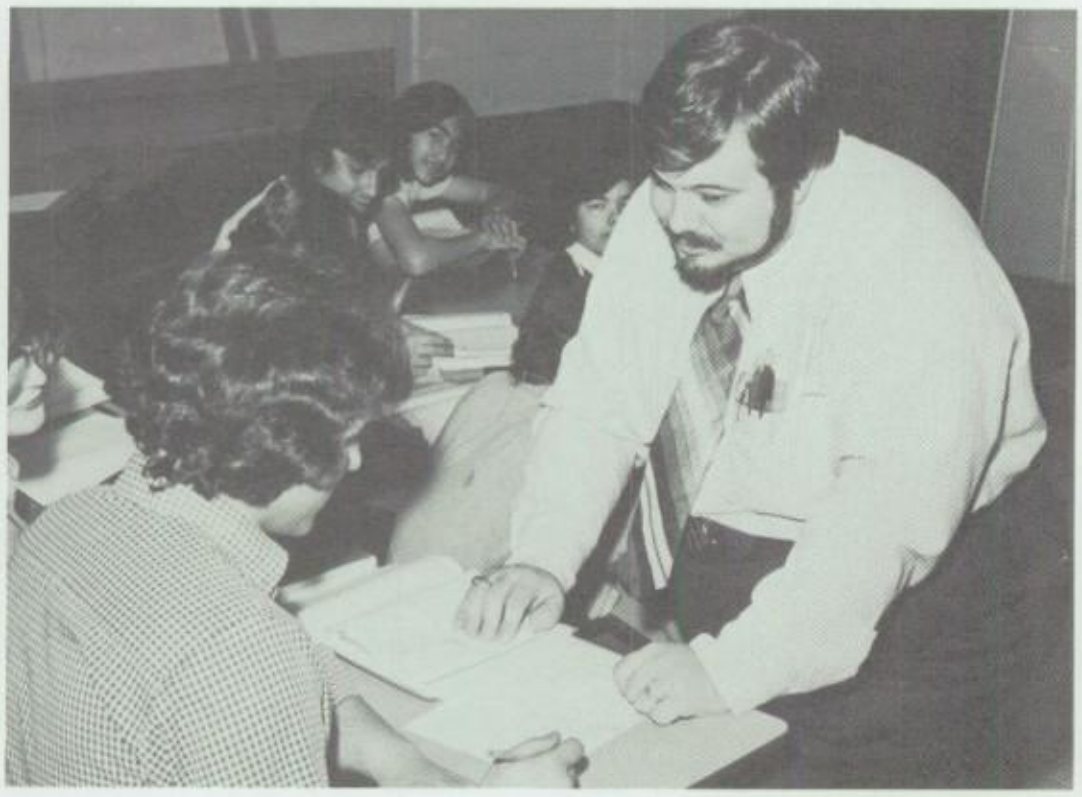
Listening to Mr. Snodgrass' computer concepts is Grace Ruggirello.



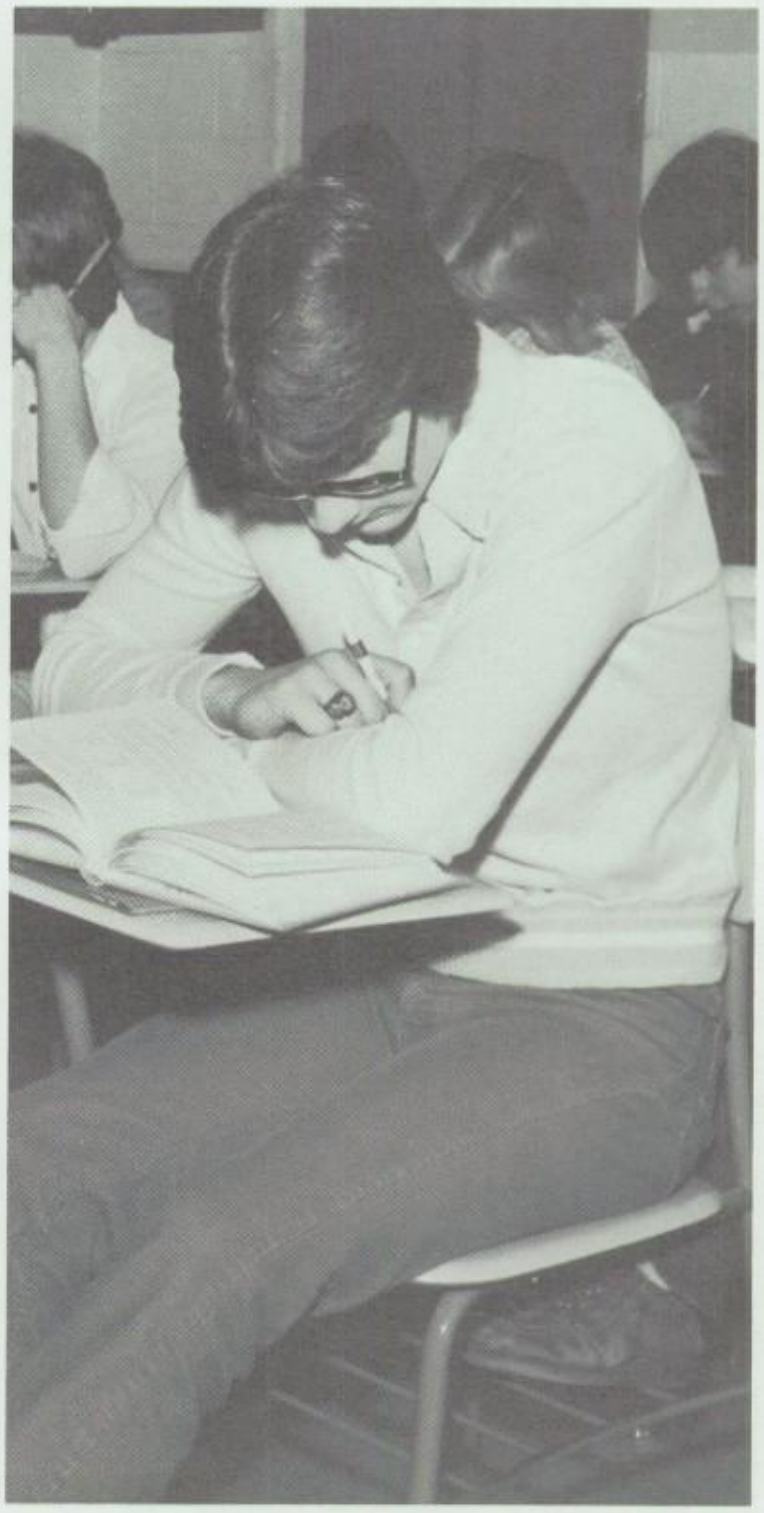
Helping each other with some challenging math problems are Eugenia Vasilakis and Tom Livernois.

SQUARE IT

Lending math help to a student is Mr. Ferrario.



Studying his math is Mike Strobl.



Analyzing data is Anne Sowinski.

From algebra, geometry and logic, advanced algebra and trigonometry, to pre-calculus, math students are bombarded with numbers, finite or infinite. Students are taught strange, new concepts — real numbers, whole numbers, x, y, and z axises, absolute values, polynomial factoring, quadratic equation formula, and limits, to name a few. These math techniques extend to the computer sciences, which is a fairly new and vast field in math. However, calculators can never substitute the scratching of the pencil on paper!

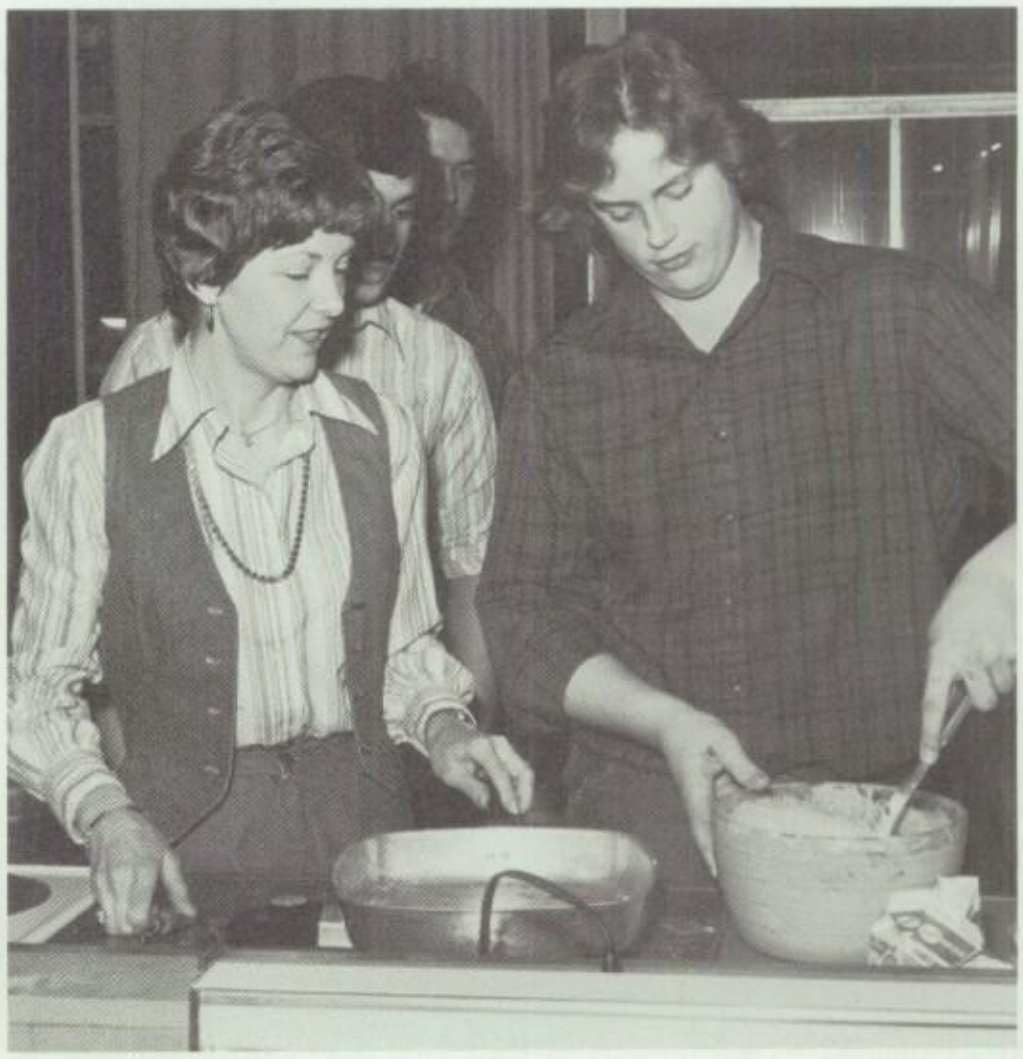
FROM STITCH TO STIR

PROVERBS FROM THE MIGHTY CAVALIER:

1. A stitch in time saves nine.
2. Too many cooks spoil the soup.
3. Clothes DO make the man.
4. You are what you eat!

As Mrs. Baxendale inspects her work, Patty Asher awaits the final decision.

Mrs. Tadra instructs one of her male students in the method of mixing.



Ship to shore, Cherri Holtgrieve concentrates on the fine art of cooking.

Proving the belief that all great chefs are men is this illustrious cook.

At the sewing machine, Lisa Gerling stitches another of her chic creations.

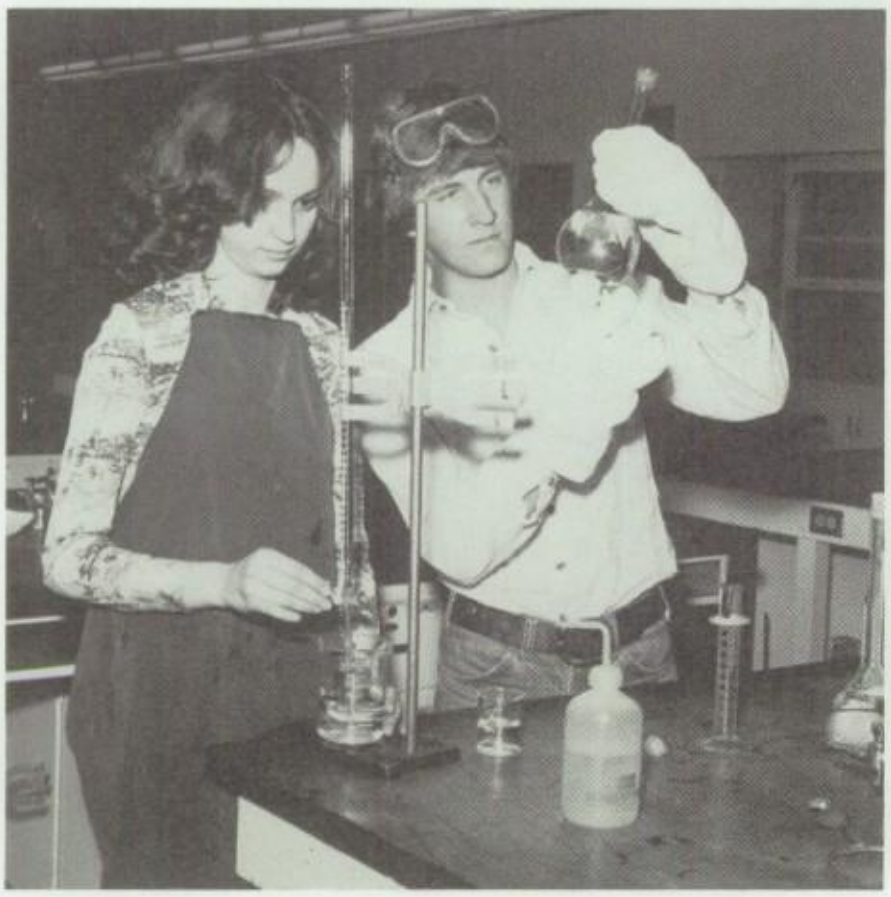
The cook shows Peggy Hollister what has to be done.

Donning the finished product, Mary Willmer smiles with pride.

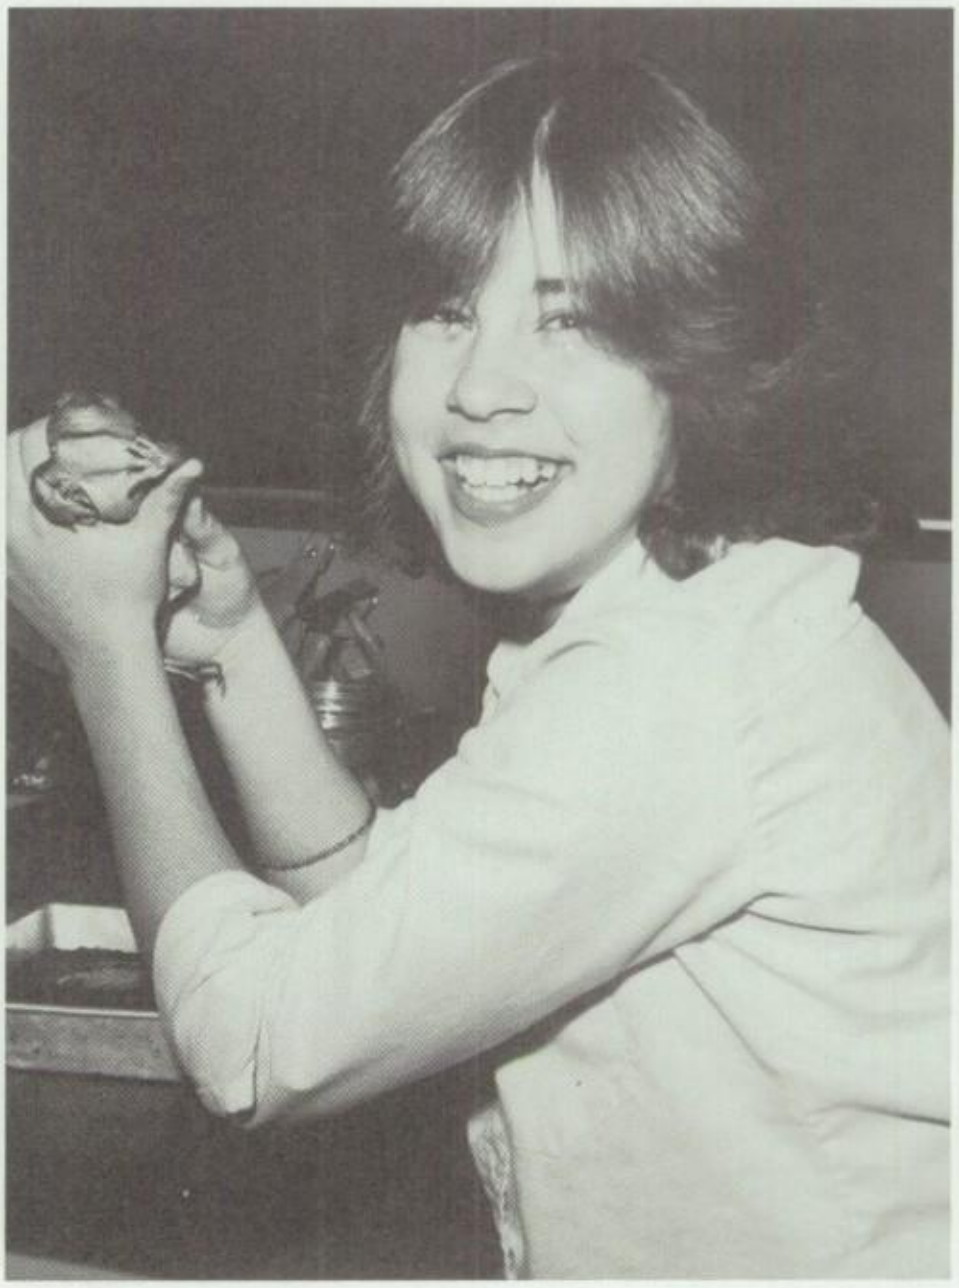
LAB LIFE

In addition to reading, writing, and arithmetic, there are the fascinating sciences. Chemistry, physics, biology, and anatomy were some of the courses which kept students busy discovering the mysteries of the sciences for themselves. Not only did the students learn valuable things, but they also found themselves having phun phrom photons to physics to phrogs!

Performing a titration experiment are Lucy Blomme and Rick Oswald.



Clasping her slimy friend, Lori Fazio finds frogs fun!

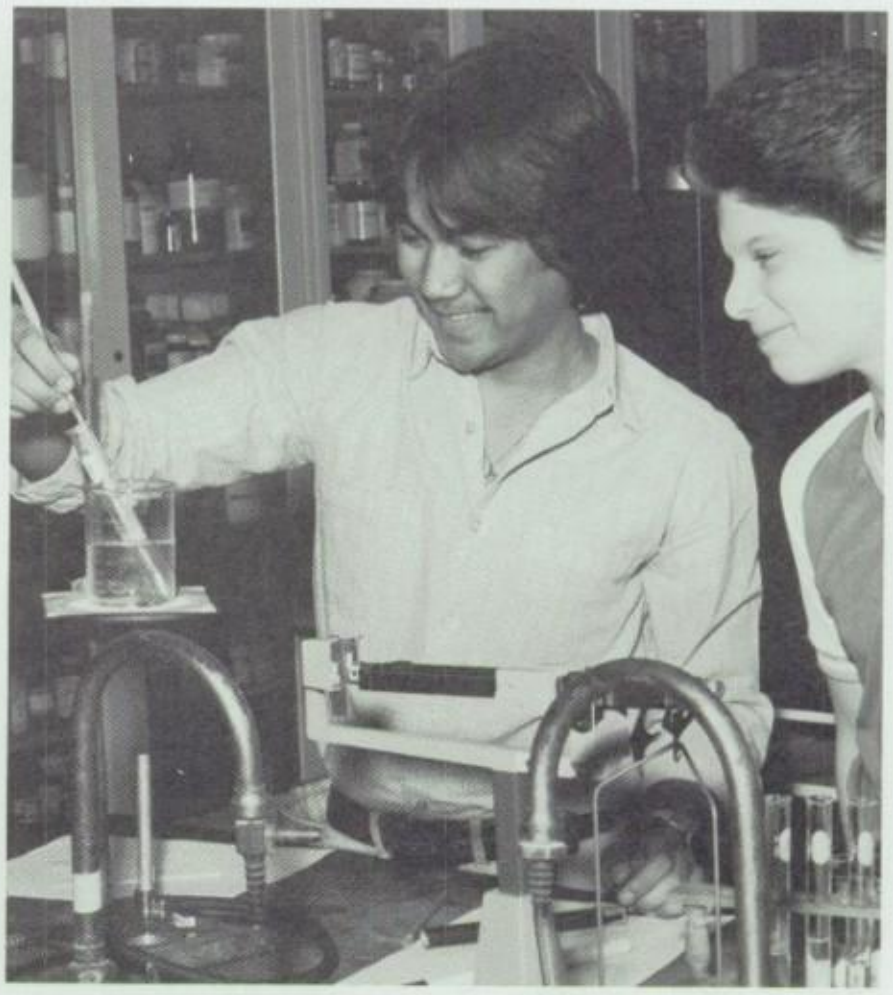


Probing into their speciman, Monica Lamote and Sandi Weber discuss their findings.

Practicing careful technique, Jim Cicchini deftly dissects his speciman.

Getting her weekly charge up from Mirella Ciaccia, Carol Cuputsnik Liposki sees the light!

Experimentation is one important part of chemistry as shown by Segundo Baldovino and Greg Hughes.

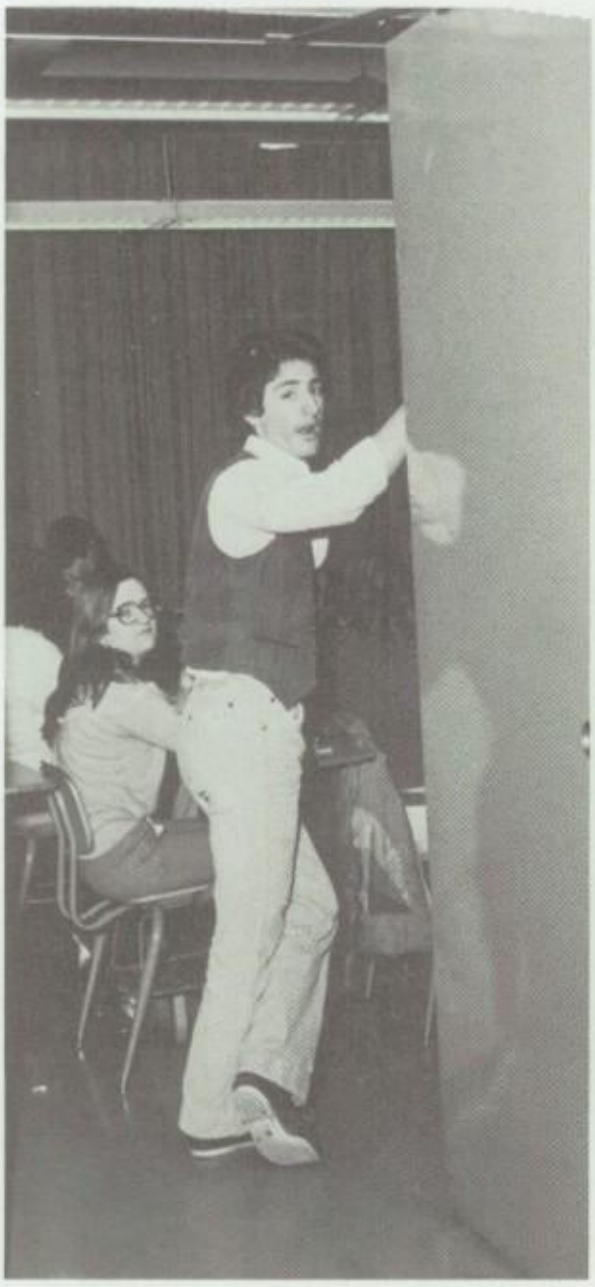


Sharing her chemistry know-how, Mrs. Kienle gives explanations to her students' questions.

Spot checking her students' progress, Mrs. Whitbread looks approvingly at Sheryl Strace's and Pat Jordan's work.

THE WHEELS

Holding up the wall in Social Psych is Frank Gambino.



Does Social Studies mean nothing more to you than memorizing millions of names and dates? Well, South Lake's department has much more to offer than that. Have you ever thought about going to the symphony, Institute of Arts, or Renaissance Center? That's exactly what the Man and the Arts class did this year. What about watching a karate demonstration, several prime-time movies, and meeting with a "swami"? Mr. Allison's Psych class did just that. Civics class staged a mock election and court trial. Social Studies can be interesting, informative, and fun.

History student, Judy Clark, gets some assistance from Mr. Kracht in the resource center.

The complexities of Civics baffle this South Laker.

OF TIME

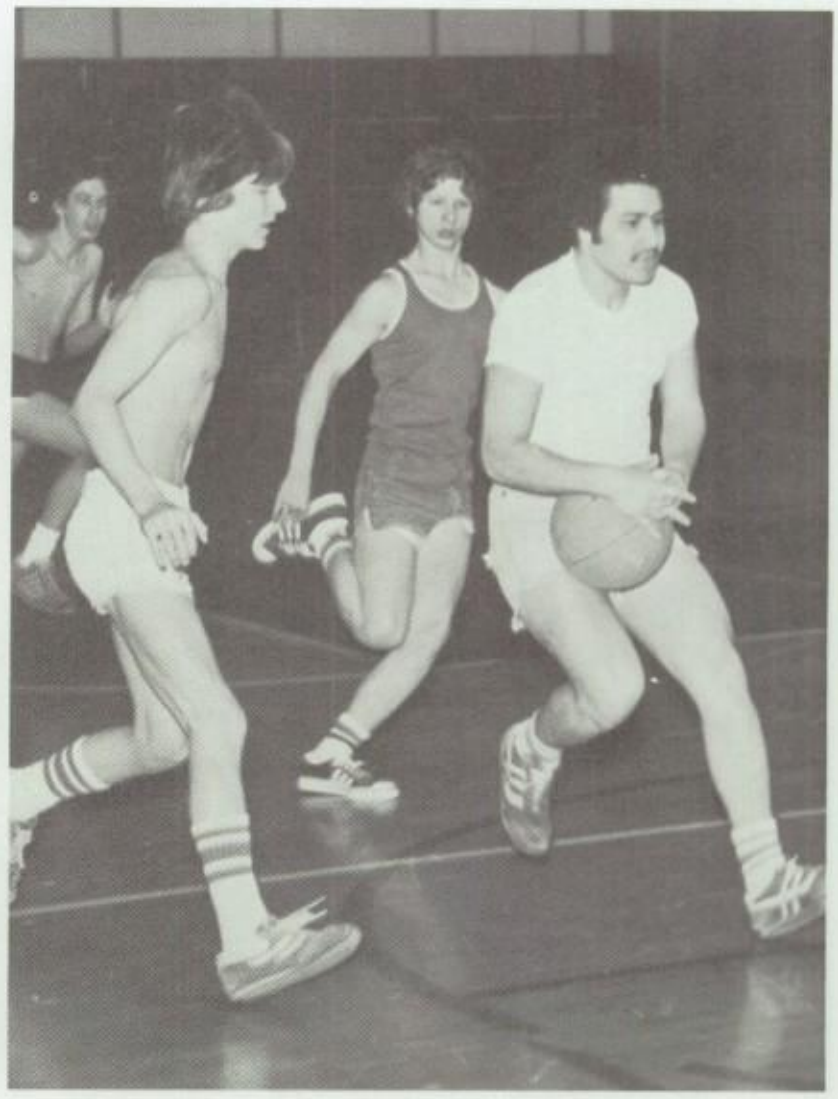
American History's Mr. Case is about to embark on one of his orations.

Engrossed in his History is Doug Habermas.

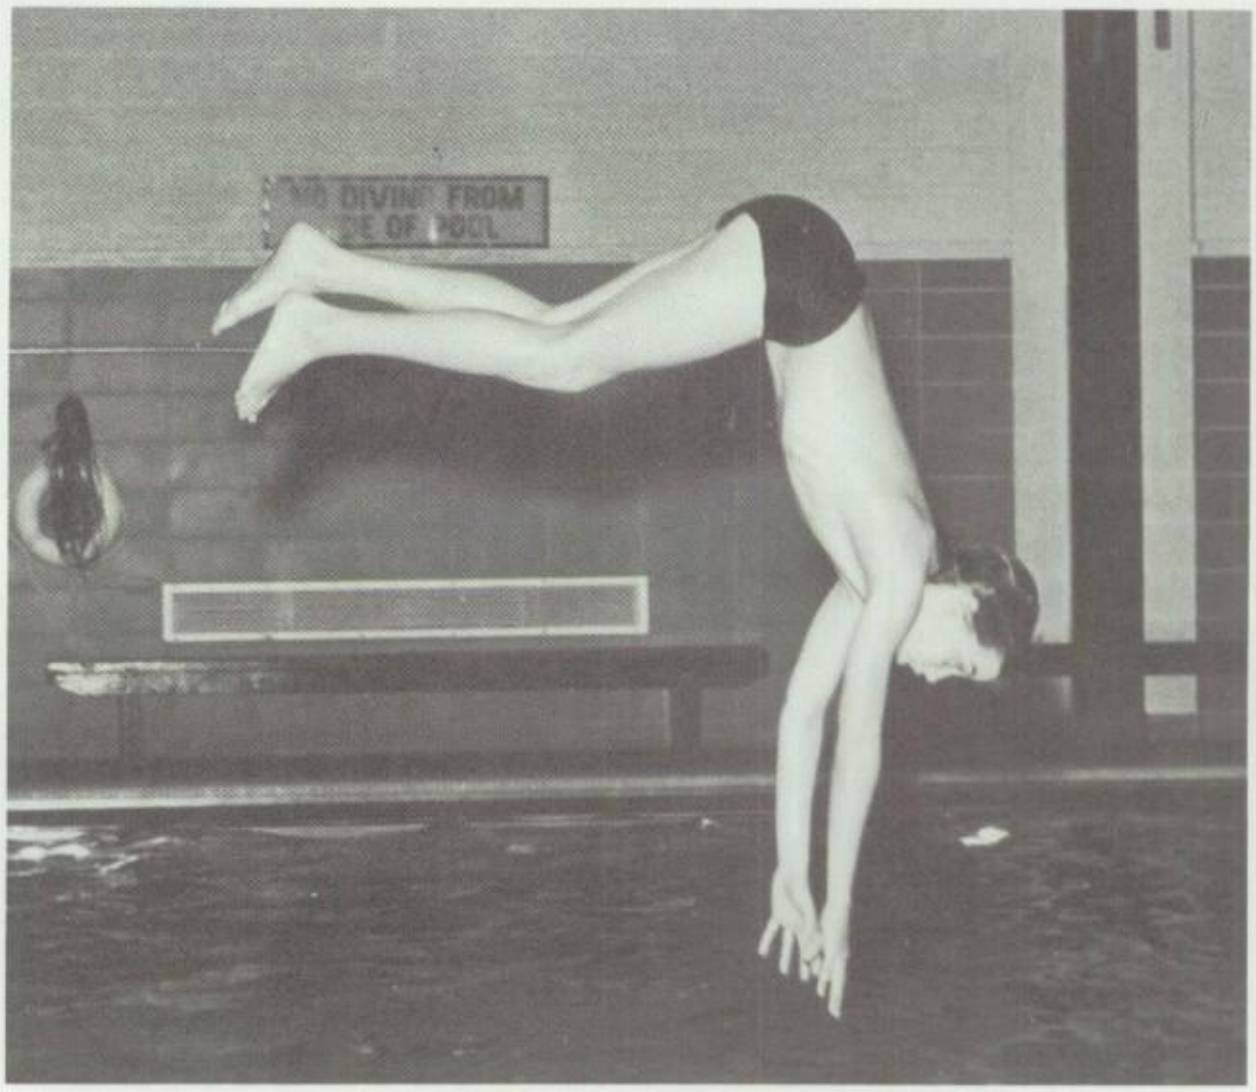
Hard at work are Laura Swinbank, Nancy Ostrowski, Linda Ciaccia, Nancy Gornick, Mary Holloway, and Francie Bachleda.

Mary Smyck gives the volleyball a boost.

Mark Darst charges after his opposition.



The Physical Education department tends to be one of the school's favorites for obvious reasons. Students are given the opportunity to select from a wide variety of courses which they will take. Popular choices include Gymnastics, Team Sports, Lifesaving, Tennis and Bowling. The gymnastics class learned skills on the balance beam, uneven parallel bars, parallel bars, vault and mats. Team sports encompasses basketball, volleyball, softball, football, and many more. Lifesaving is a class leading to Red Cross certification, the official record necessary to obtain a job as a lifeguard. Tennis and bowling offer students the opportunity to take a class outside the school walls, while providing pleasure and exercise for all.



A swimming student reaches for the water.

PHYSICALLY FIT

Cara Pierce bumps in style as Brigetta Hunt backs her up.

Faculty member Mr. Stevens accepts a pass from this swimmer.

Freshmen gym includes a session of basketball.

LIFT YOUR VOICE

The choir awaits the director's signal to begin another piece.

The pianist, providing subtle background for beautiful voices.

In a featured performance are Diane Braun and Lynn Terras.

Heather Niedermiller, Amy Thomas, Dorie Chrispen, Diane Braun, Robbie Garretson, Janet Novak, Evelynn Raita. Nancy Chatham, Andrea Fiondo, Nancy Gallagher, Lynn Terras, Lynne Champine, Kathy Paton, Kitty Enoroth, Donna Crandall.

IN SONG

A guest appearance by this children's choir gave the spring concert youthful appeal.

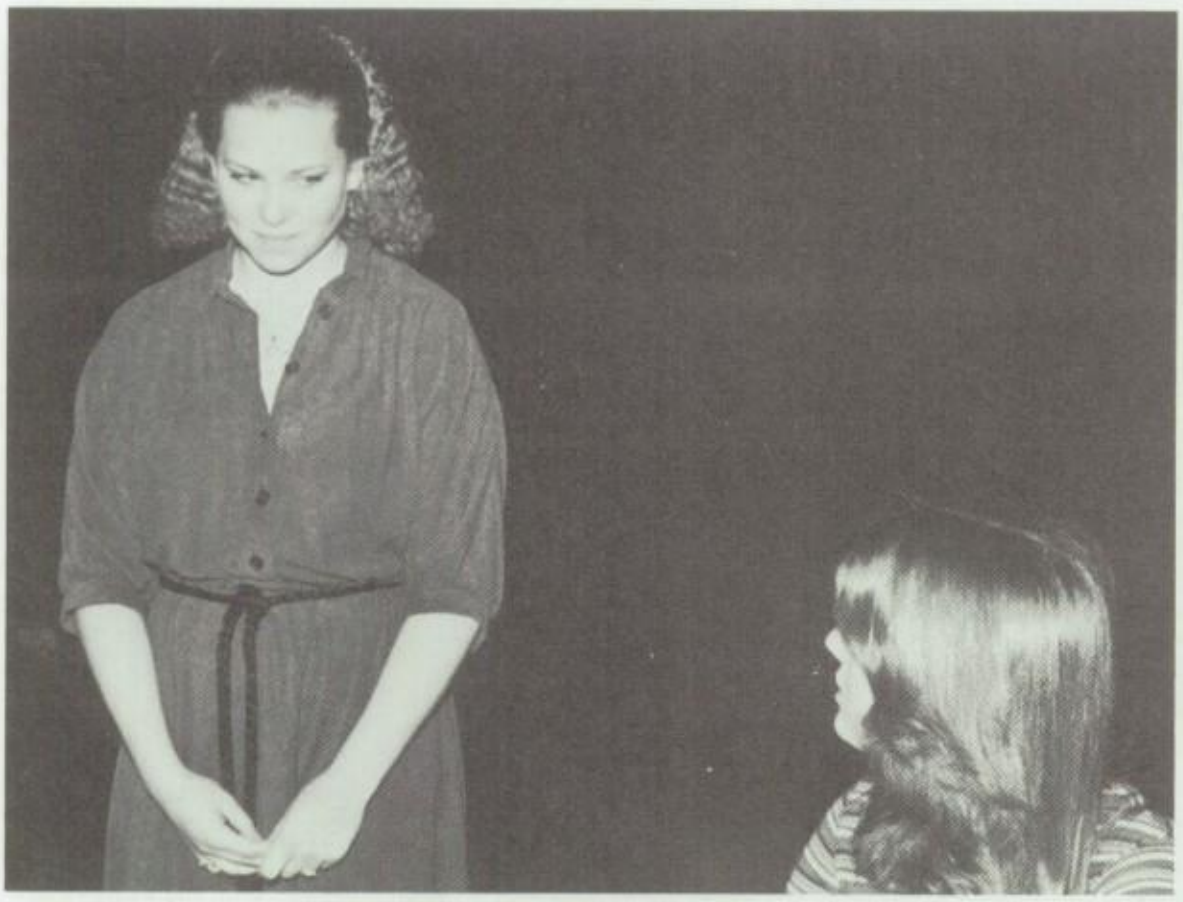
The choir gave a Christmas concert also.

This choir member put her heart into her music.

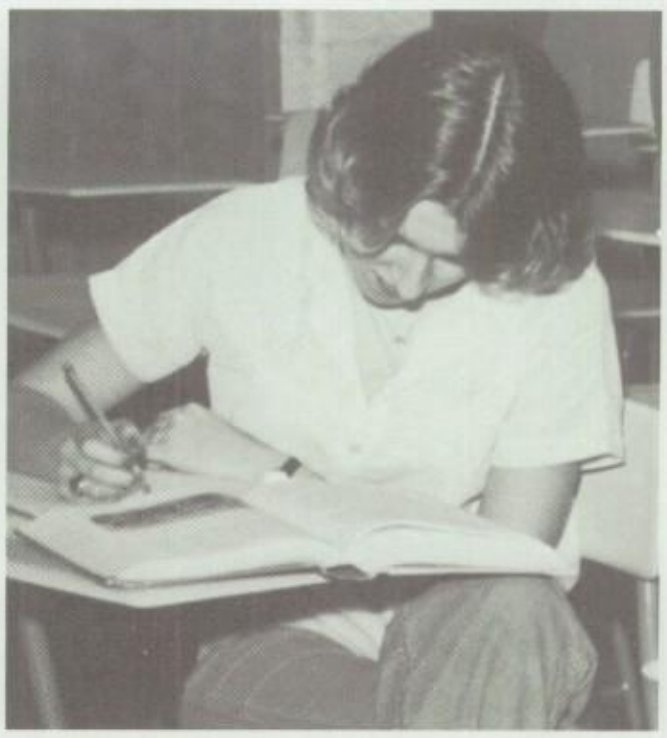
Melodically combining vocal ranges, the choir performed expertly at their concerts, in class, and at graduation.

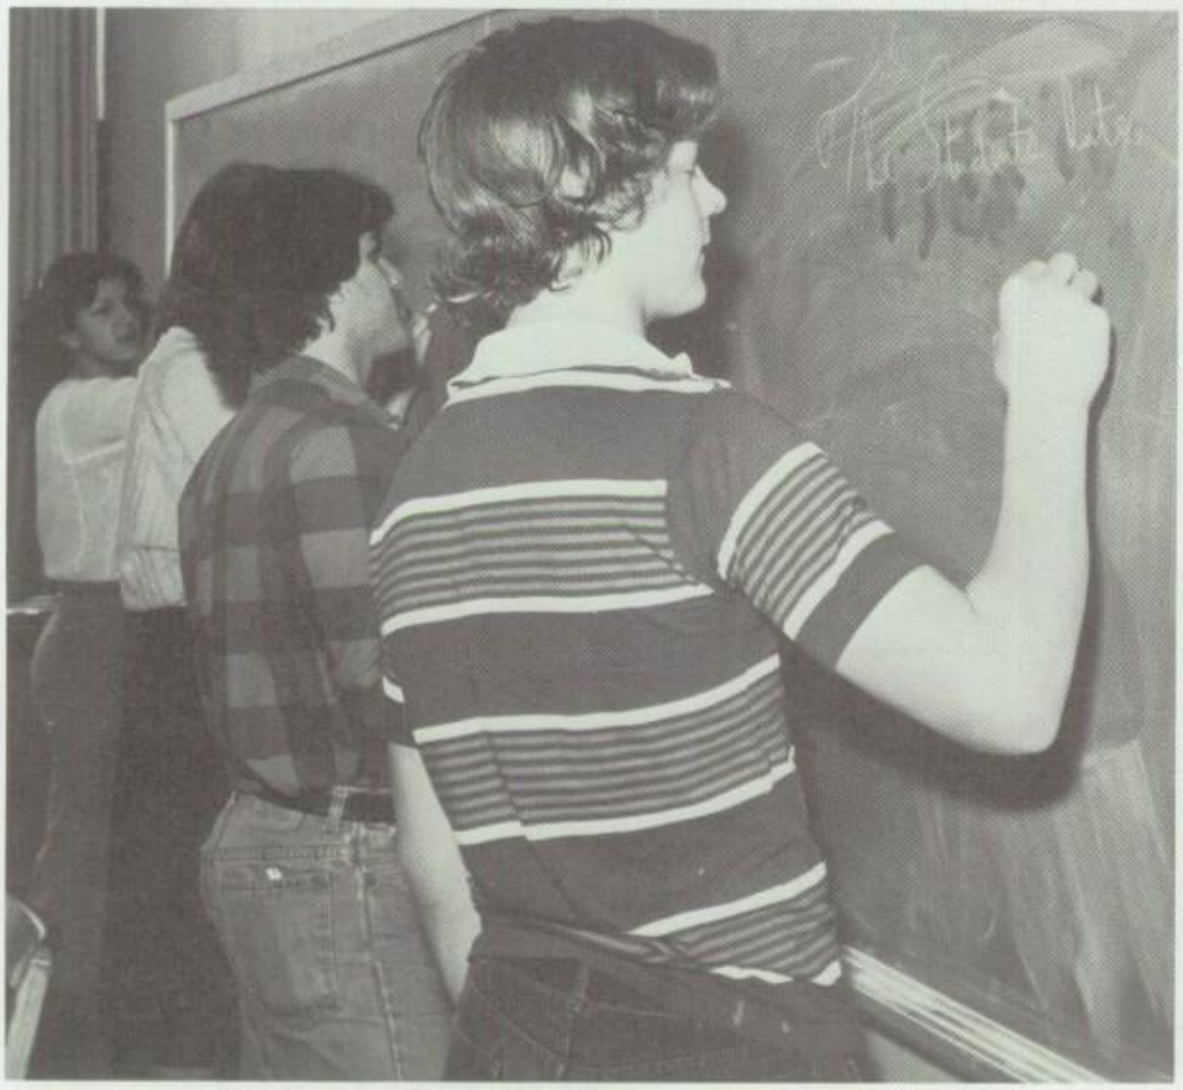
THE DRAMATICS

In Neil Simon's skit, "The Governess," Robbie Garretson.



In Mr. Boyd's British Literture class, Kathy Wojtas learns the history of the English, too.





At the chalk board are Sue Maiuri, Dan Coppa, and Jim Jarrett.

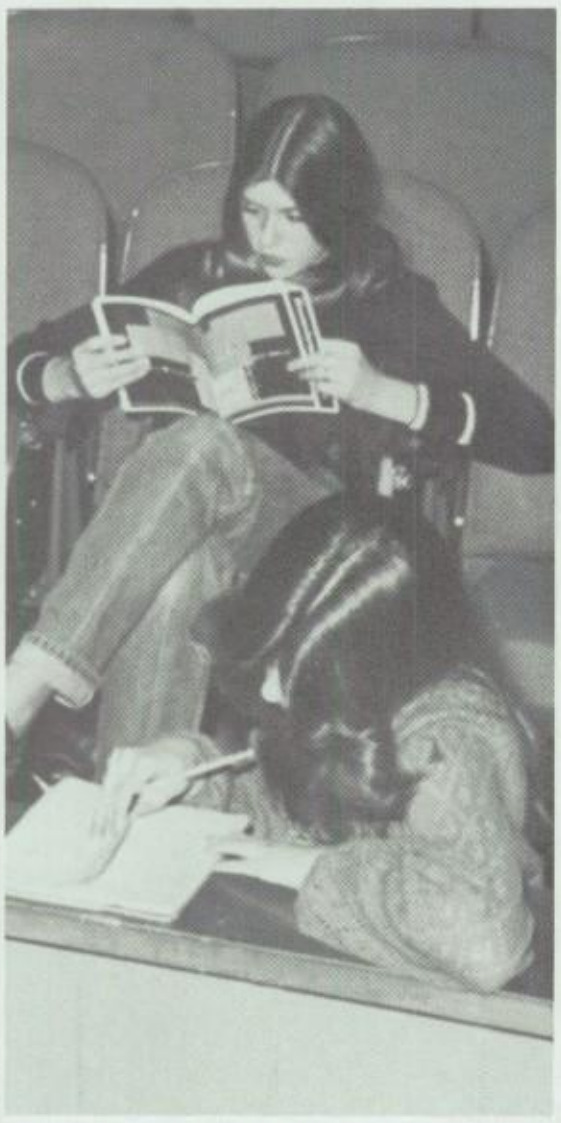
Actresses Nicky Weber and Tina Harrison

OF ENGLISH

Mrs. Higgins points out a few errors to Mike D'Agostini.

To read or what to read, that is the question. Whether 'tis nobler in the mind to suffer the slings and arrows of Milton, Shakespeare, and Hemingway, or to take arms against a sea of Steinbecks, and though opposing, read them. To cry — to laugh, and by Twain's laugh and Thurber's humor to say we end the heartache and the thousand natural shocks that is heir to. 'Tis a consummation devoutly to be wished. To read, to like it. To like it, perchance to learn. Ay! there's the rub!

scuss their roles with Mrs. Reuther.



In the midst of writing, Ed Lotito searches for the correct word.

Familiarizing herself with some drama is Kathy Rea.

BUSINESS TYCOONS

Operating the stencil machine is very messy work.

Watching her p's and q's is Angeline Ho.

The Print Stop, a student-run sign-making business, was made possible by the school's purchase of this machine. Bill Pullen and Denise Kimpe set up some type above.

OF THE FUTURE

Typist Chris Ginatek gets a proofreading eye from Mrs. Trudeau.

Business is indeed a diversified field. It encompasses many different subjects including:

1. Typing — perhaps the most popular of the business courses. In this class, one learns that the keys of "home row" are "a,s,d,f,g,h,j,k,l,;," but the fingers insist they are ";,l,k,j,h,g,f,d,s,a."

2. Shorthand — a course in which one scribbles illegible symbols which are never transcribable.

3. Accounting — In this class, the emphasis is on balancing and recording the inflow and spending of money.

Snoopy's super secretary, Woodstock, watches over his apprentice, Barb Metting.

Merchandising student, Julie Adams, explains the IDECC game.

FOREIGN LANGUAGE —

Spanish student Ann Zaglaniczny and Miss Howell speak some Espanol.

Miss Howell's Spanish classes embarked upon a ten-day vacation in Mexico over Easter vacation. A four hour plane flight landed them in Mexico City. Such sights as Guadalupe and the pyramids were seen. Taxco was another of their stops, and students toured the silver mines. In Acapulco, all enjoyed the sunny beaches and resort life. A highlight of the trip was Sandi Weber and Lorna Michaels in the matador's position fighting bulls. The French class has Paris in mind for the future, but was grounded this year.

The Shrine of Guadalupe was visited by South Lakers.

Spanish students viewed the University of Mexico.

FOREIGN LANDS

Miss Howell's class saw ancient pyramids.

In class, Dawn, Debbie, and Ray discuss their Mexican vacation.

A pool at a hotel the Spanish class stayed at.

Monsieur McGrath shares some French knowledge with Jo Gorey.

TOP STUDENTS HONORED

Honorees Tim Butler, Laurie Cook, and Helen Velas recess from the ceremony.

A National Merit Commendation was presented to Lucy Blomme by Mrs. Matthai.

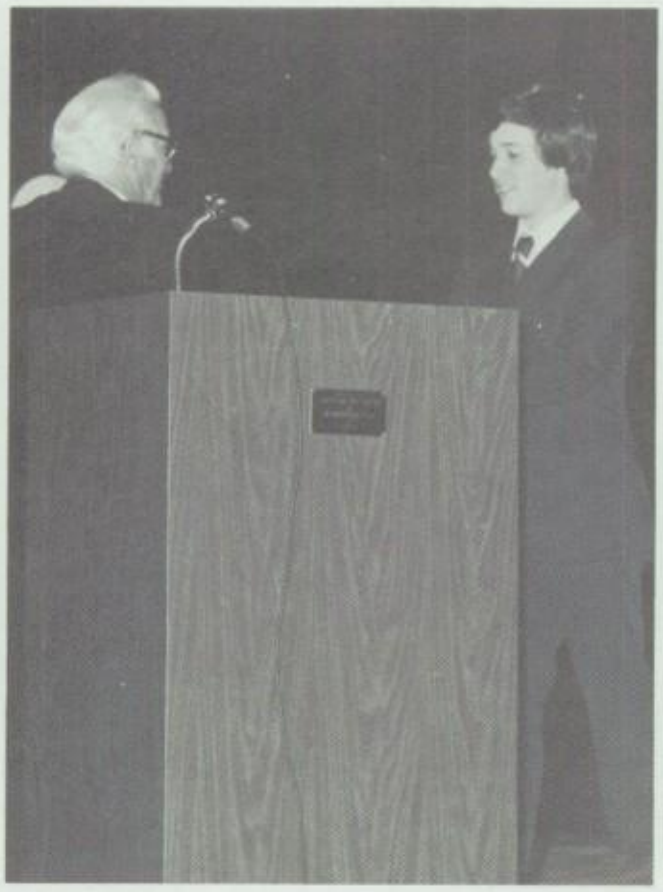
Chemistry teacher Mrs. Kienle solemnly presents SL's participants in Wayne State's Science and Humanities Symposium, Lori Weber and Rick Oswald.

On May 21, 1979, several of South Lake's graduating seniors assembled to publicly receive over $90,000 in scholarships at the Honors Convocation. From swinging bats to carrying clubs, fixing cars to typing, shorthand to science, SL's students came out on top.

Sorting through a stack of honors, Mr. Gough finds Randy King's certificate.

Anne Sowinski and Terry Obrzut receive gold key awards.

Underclassman Steve Wodtke is honored by Boy's State.



Counsellor Mr. Burke presents Karen Fontanive with a MCCC award.

Trouble-Shooters Dave Gunter and Tom Szlachta donate their trophy to Mrs. Matthai.

Band members relax before a football game.

Clubs and organizations became very prominent during the 1978-1979 school year at SL. More students got involved in the extra-curricular activities that bind a school like South Lake together. New groups, such as the AURORA staff and the jazz band, formed. Older organizations, after suffering from an inactive period, came out again through the "Charlie Brown" production and the Varsity club. Established clubs tried new activities, with the Tennis Club's Flea Market and the Ski Club's Christmas trip. Everything in the line of clubs and organizations was renewed and revitalized.

STUDENT FACULTY

The Student Faculty Organization this year sponsored various activities. They were the power force behind Spirit Week, organizing such events as powderpuff football, blue and gold day, and the dance. The class officers also headed up the talent show, the proceeds of which were used to provide scholarships to seniors Joann McGee, Barb Metting, and Lucy Blomme. Through flower sales, car washes, magazine drives, and flea markets, the SFO members raised money for their class treasuries.

The 1978-1979 National Honor Society was an extremely active one. The chapter's activities ranged from a Halloween party for young children to a visit to a nursing home at Christmas. They swam for Easter Seals, discoed twice, and orientated incoming freshmen. Washing cars was hard labor, but the NHS raised $150 doing it. From carnations to Winschuller's scheeze, the NHS held successful sales. The concession stand at home basketball games was run by NHS members under the supervision of Rick Oswald and Dave Rohrkemper. A Tennis Night and Induction wound up the year. Using the funds raised through their various events, the National Honor Society was able to award scholarships to Mirella Ciaccia (President), Lori Weber (Secretary), and Rick Oswald.

The debate team took part in quite a few interesting activities this year. The group travelled to Lansing in the fall of 1978 to take part in a student government program. Students throughout the state run a mock Congress, introducing, debating, and instating laws. The debate team also participated in the 1979 Discussion Fest, the topic of which was the energy crisis — its causes and solutions. Our congratulations on a job well done, debaters.

The tennis club became active for the first time this year. Early in the year they held a largely successful car wash, with players off the girls' and boys' teams pitching in the cold to help. Later, the club began renting early-morning court time for members to use before school free of charge. In spring, the tennis club organized a school-wide flea market, with several other organizations renting booths to sell their goods. Needless to say, the sale netted a sizeable profit, which is used in helping active members defray miscellaneous tennis costs.

Several tennis players like Bob Miller are given a discount on clinics through the tennis club.

In the fall, the band played at all home football games, and marched in the Homecoming parade. Various assemblies throughout the year were given as previews to the band's many concerts. New this year, the jazz band gave a concert also. In their final performance, the band played at Graduation.

The Varsity Club brought donkey basketball to South Lake. Ten LIVE animals trampled across the gym floor carrying our own faculty and student athletes. The donkeys were not tame, demure creatures, used to being ridden down basketball courts, but were wild, savage beasts, bucking off their riders at many times. Faculty players included Mr. Stanley, Mr. Thompson, Mr. Putney, and cheerleading coordinator Peggy Callus. The student team was composed of Dan Seghi, Sue Viviano, Greg Hutsko, Jim Sinaris, Jim Cicchini, and others. The faculty won.

Mrs. Higgins has been the advisor for the past nine years here at SL, and has made many unrecognized sacrifices just so a yearbook could be published. Also, thanks to Marge Mooney, Anne Sadorski, and Lorri Bertrand for their continual efforts. It has been a long and grueling climb, BUT WE MADE IT!

The Cavalier Icemen face off to another thrilling season.

The 1978-1979 school year was one of reconstruction in athletics. On the whole, the winless season syndrome disappeared. Many teams regained the prestige they had lost following the catastrophic millage defeat only two short years ago by compiling over .500 win/loss records. Such stars as swimming's Shelley Staniec, tennis' Nancy Ostrowski, wrestling's John Lopetrone, and basketball's Donna Thomas and Tom Hulway, proved once more that South Lake's athletes can excel. The sports program's theme was P.M.A. (otherwise known as positive mental attitude), and the key word of the year was "motivate." The participants' enthusiasm spread, drawing above-average crowds at many sports events. For athletes, coaches, and fans, 1978-1979 was a stepping-stone to reaching full equality in sports — catching up with the enemy, and surpassing him.

THE STRUGGLE RESUMES

The 1978 Varsity Football season, though not very successful statistically was one of perseverance and strength. For this, the team thanks the loyal fans who stayed at home, the enthusiastic supporters who heckled in the halls, and the devoted players who quit before the first kick-off.

Today, they are South Lake's freshman football players. Tomorrow, who knows? Yes, maybe one of these undaunted gridders will be the next "superstar of Rent-A-Car," or does the future hold oceans of Brut, lots of Leggs, and a guest spot on SATURDAY NIGHT LIVE? Will the names of our players one day appear on football trading cards, much less candy bars? If our current-day Cavaliers don't make it to the Superbowl, will they, at least, make "a run for the roses?" Whether future Hall-of-Fame members, Heismann Trophy winners, mere pros, or common men, the freshman team has given us a good year, if not of success, then of endurance.

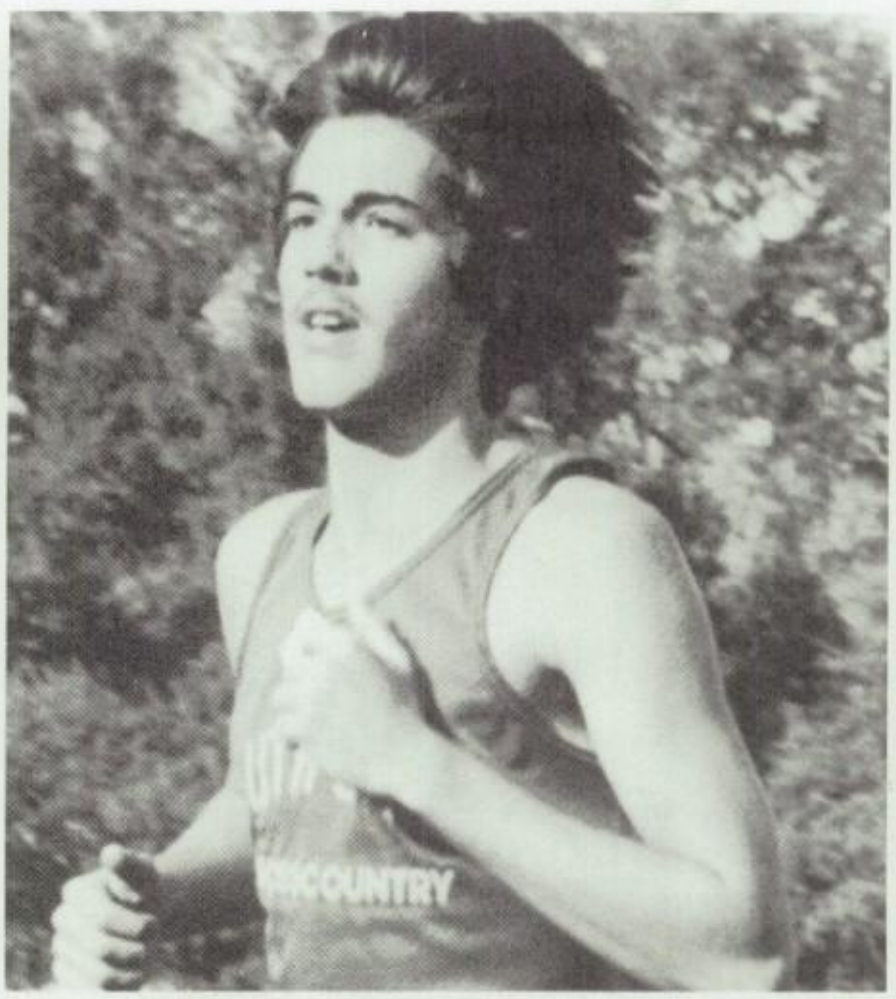
The 1978-1979 season was one of rebirth for the girls varsity tennis team. Springing back from a not-so-successful season, the team netted a 7-6 overall record this year, surpassing their highest expectations. Star ace Nancy Ostrowski, Number One singles player and team captain, won all but two of her matches, while the dynamic doubles duo of Diane Sobczak and Cari Daugherty lost only one match season-long. Promising players in the years to come include freshmen Theresa Bucholz and Tammy Mitchell. New coach Jan Slwyka, pleased with her girls' performance, looks forward to another "smashing" season next year.

Besides the thrill of victory and the agony of defeat, there is a lighter side to tennis, as shown by Cari Daugherty and Nancy Ostrowski.

LIFE IN THE



Runners — take your mark, set, go! At the crack of the gun, the competitors break loose, starting their long and grueling journey. A frenzied mob of Adidas, Nikes, Pumas, and P.F. Flyers soon become only a blur against the sharp fall colors. Immersed in scenic panorama, the runners see none of the beauty. Instead, they look only for the finish line, the symbol of their success. Step after step, the athletes push, combining physical endurance with mental strength. This year's team, consisting mainly of basketball players, proved that one can bridge two sports into one, using skills learned from one in the other. It was a long, tough road . . . with a glorious finish.

This year, South Lake tasted victory in a most surprising way. Cheerleading, basically a non-competitive sport, suddenly transformed into an exciting, dramatic battle. The Varsity cheerleaders went out with a bang. sweeping several awards at summer camp, including a berth in the nationals. The J.V. squad proved that they too are championship material, bringing home an impressive trophy from the Oakland-Macomb County competition. It can be said that South Lake, though losing one winning group, is just starting to realize the full potential of its J.V.'ers.

IN THE BEGINNING THERE WAS ICE

Then man learned to transform the frozen wastelands into a glistening area of recreation. He affixed a knife's edge to the sole of his shoe and soon began gliding effortlessly across the solid water. He carried a club, striking small objects from his path. Man soon abandoned his crude stone wheel, deriving greater pleasure from traversing across the ice at high velocities. He became attached to his patch of solid water, policing it against aggressive intruders. Now . . . We play hockey, and the aggressive Cavalier Icemen are back.

Baseball, our national sport. Millions of fans turn out to watch professional players with million-dollar contracts hit a hard, round ball with a wooden stick. At right, Mary Bristol and teammate try for a rebound.

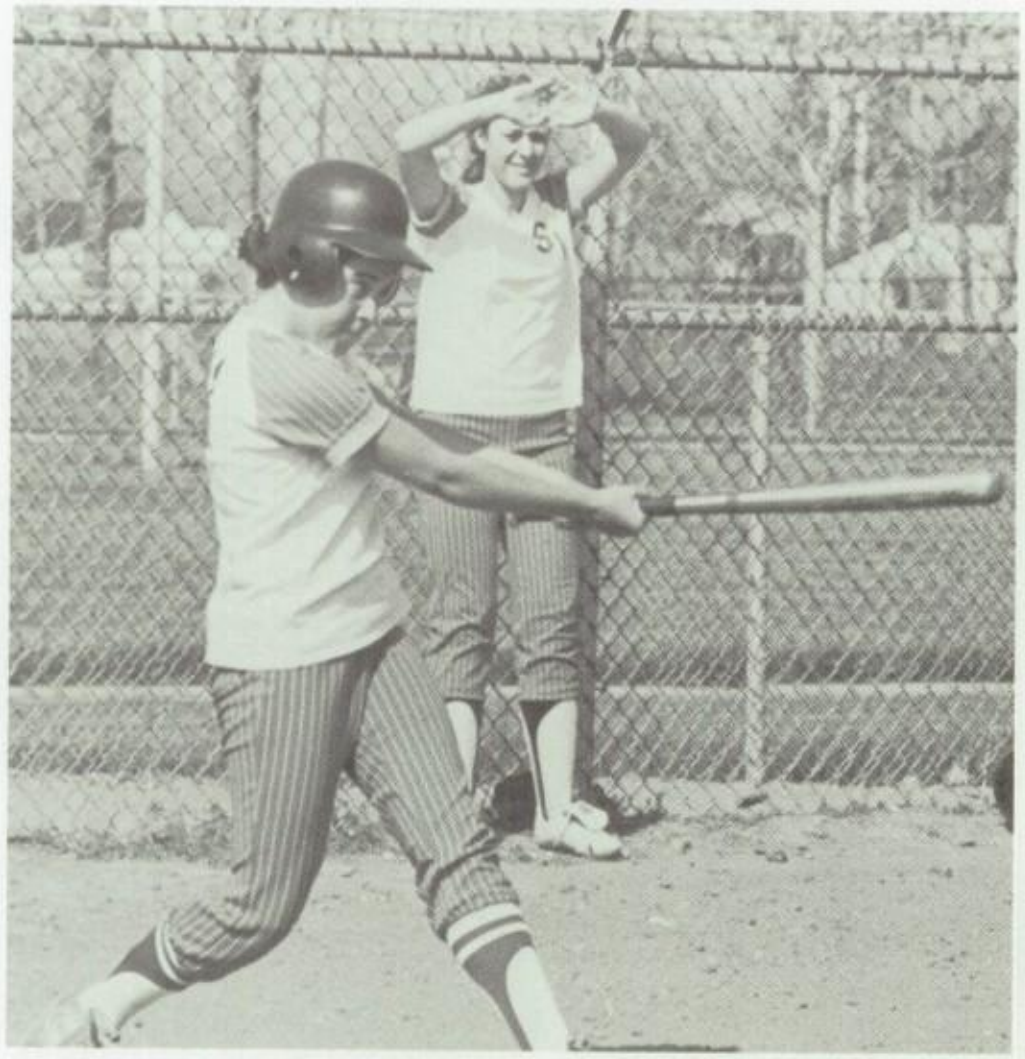
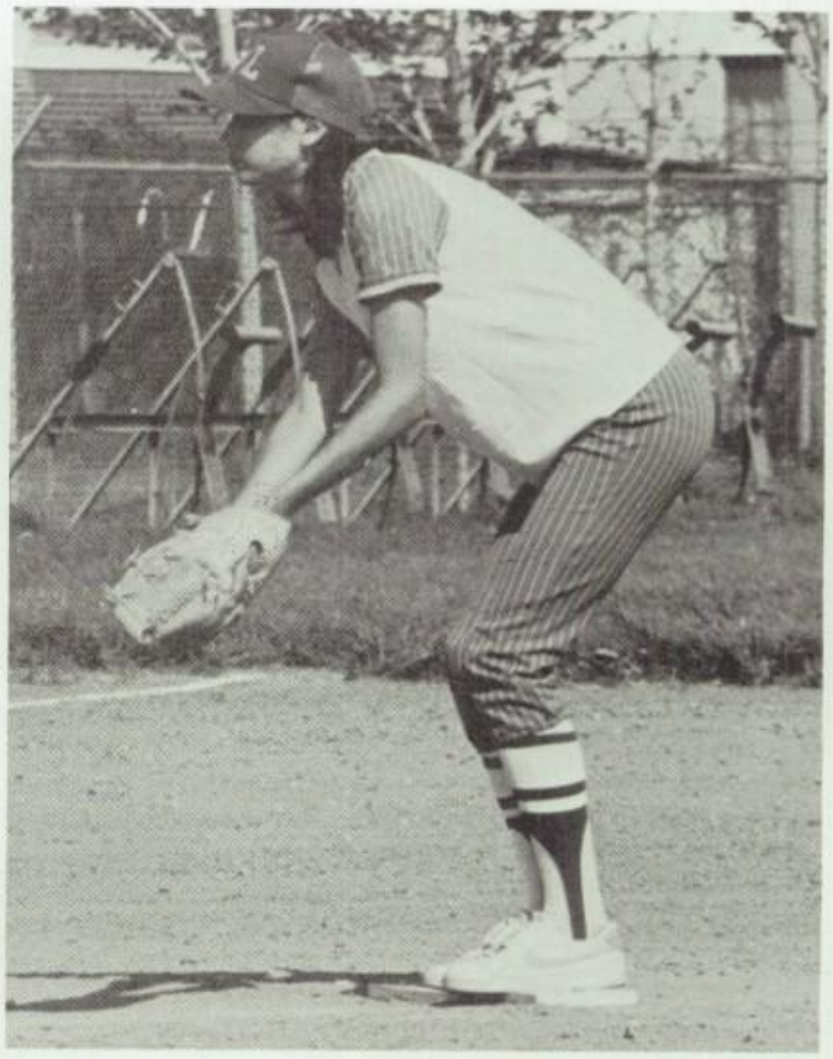
Up for a lay-up is Sharon Kady.

JV SEASON

Giving the bat a good swing is Lori Fazio.



Pitcher Theresa Bucholz eyes home plate.



Players Sandi Weber, Mary Smyck, and Lisa Steiner congregate at second base.

Catcher Anne Hughes tries to catch the other team at third.

ENDS ABOVE .500

Top: Theresa Bucholz, Mary Smyck, Cherie Woods, Sue Williams, Janice Prochaska, Sally Fiore, Kim Carlin, Coach Aris. Bottom: Anne Woelkers, Lori Fazio, Lisa Steiner, Anne Willmer, Sandi Weber, Rosie Marano, Kathy Kalil, Anne Hughes.

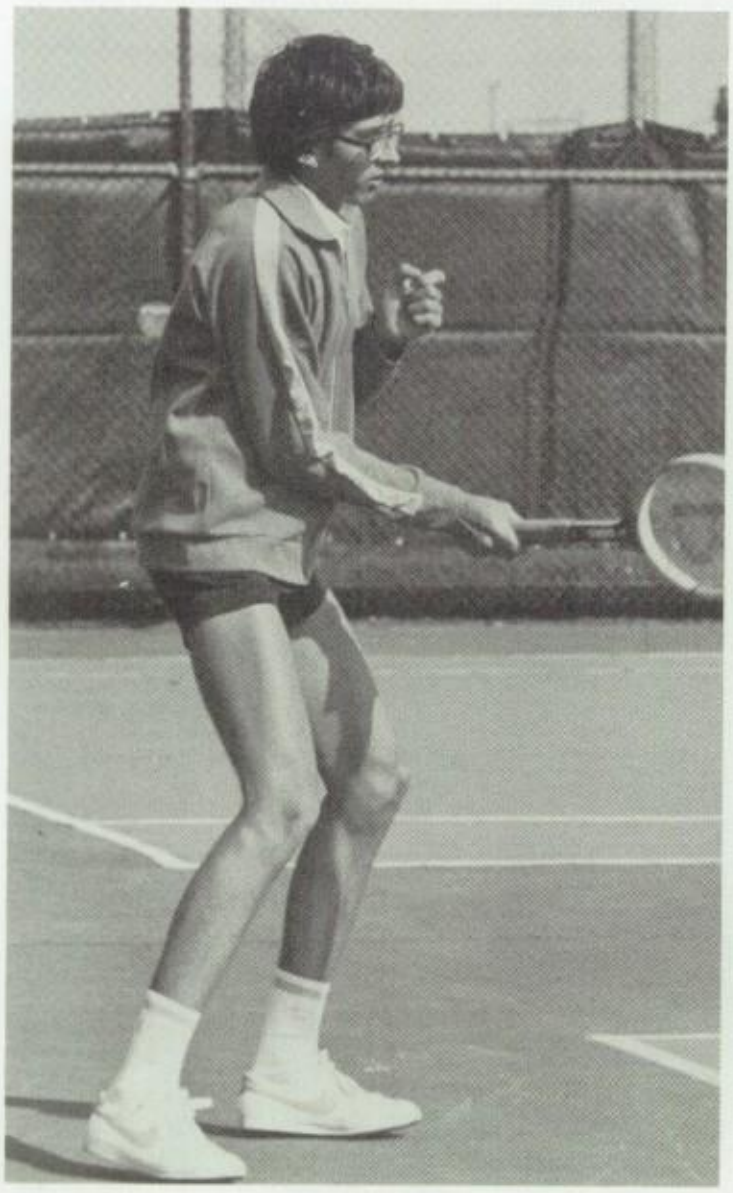
As the opposition slides, Mary Smyck makes the tag.

The JV Softball team, consisting of equal numbers of freshmen and sophomores, will be supplying the Varsity team with promising players, as well as maintaining a reliable backbone for the 1980 JV team. The girls performed well this year, winning more games than they dropped.

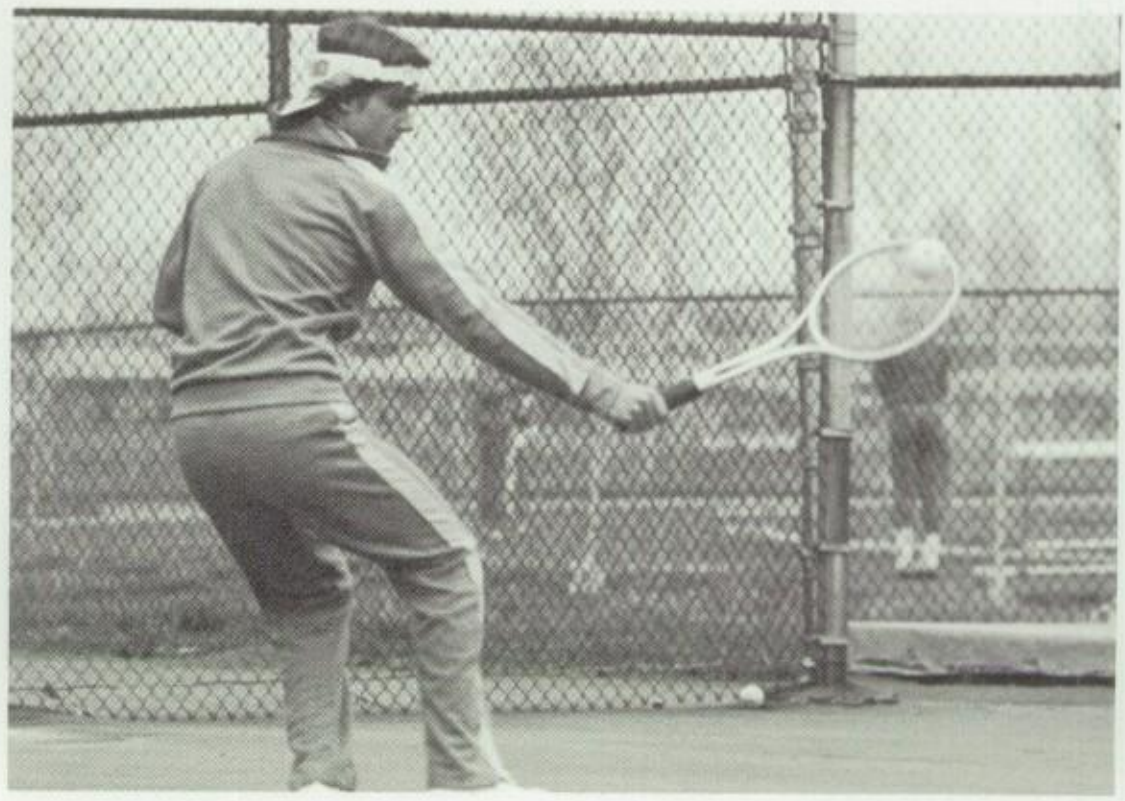
NETTING IN WINS

A skillful Dave Shevsky follows through on a shot.



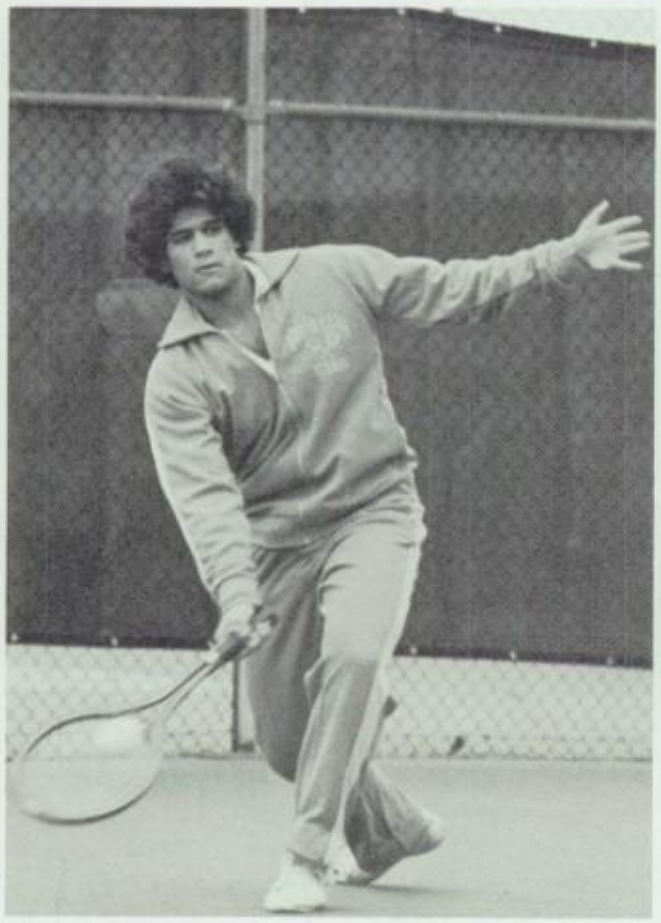
This season proved very successful for South Lake's tennis team. The combination of experienced members and new members contributed to the team's many victories. Their triumphs were shown through a Bi-County Championship and a record of 15 wins, five losses. Grosse Pointe North had been champs for the past six years until they were matched against South Lake. The team's total effort, work, and the coaching of Mr. John Burke were the basis for their success.

The ball bounces off Bob Miller's backhand.

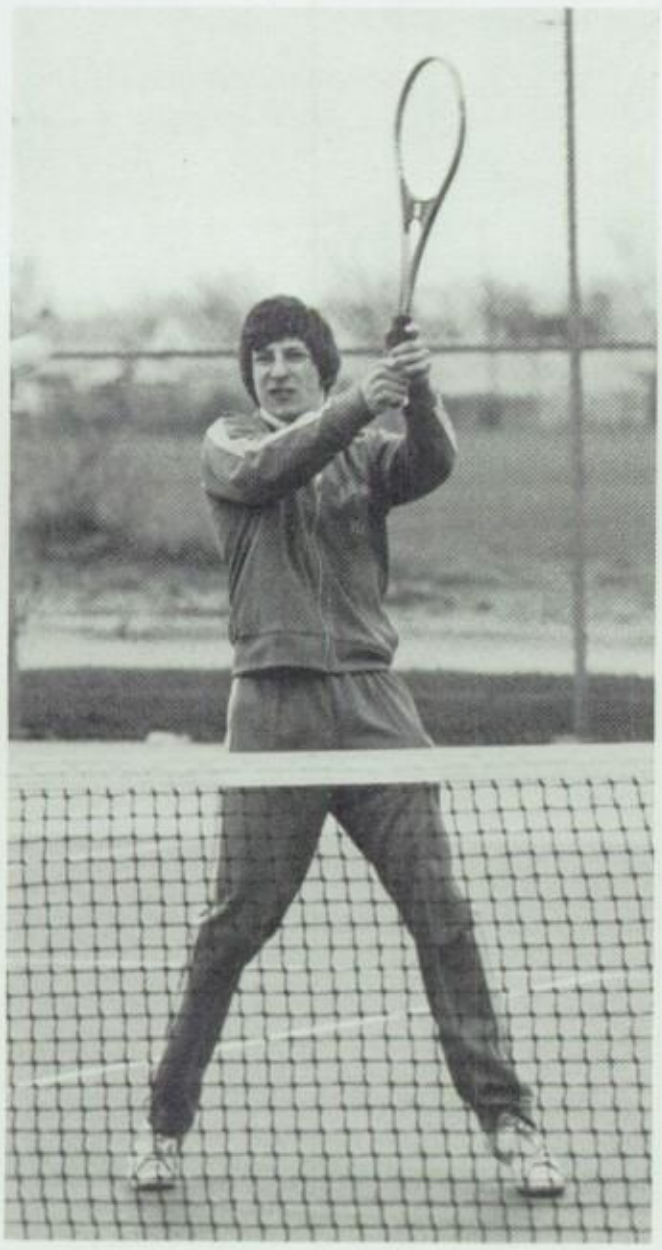


Standing: Coach Burke, John Kilcline, Jim Daniels, Tom Linguanti, Dave Shevsky, Scott Peller, Curt Niles. Kneeling: Dan DeYonker, George Shaheen, Bob Miller, Eric North, Joe Heythaler. Not Shown: Chris Rapaski, Brad Webb.

A smooth forehand is demonstrated by George Shaheen.



Putting much effort into his game is John Kilcline



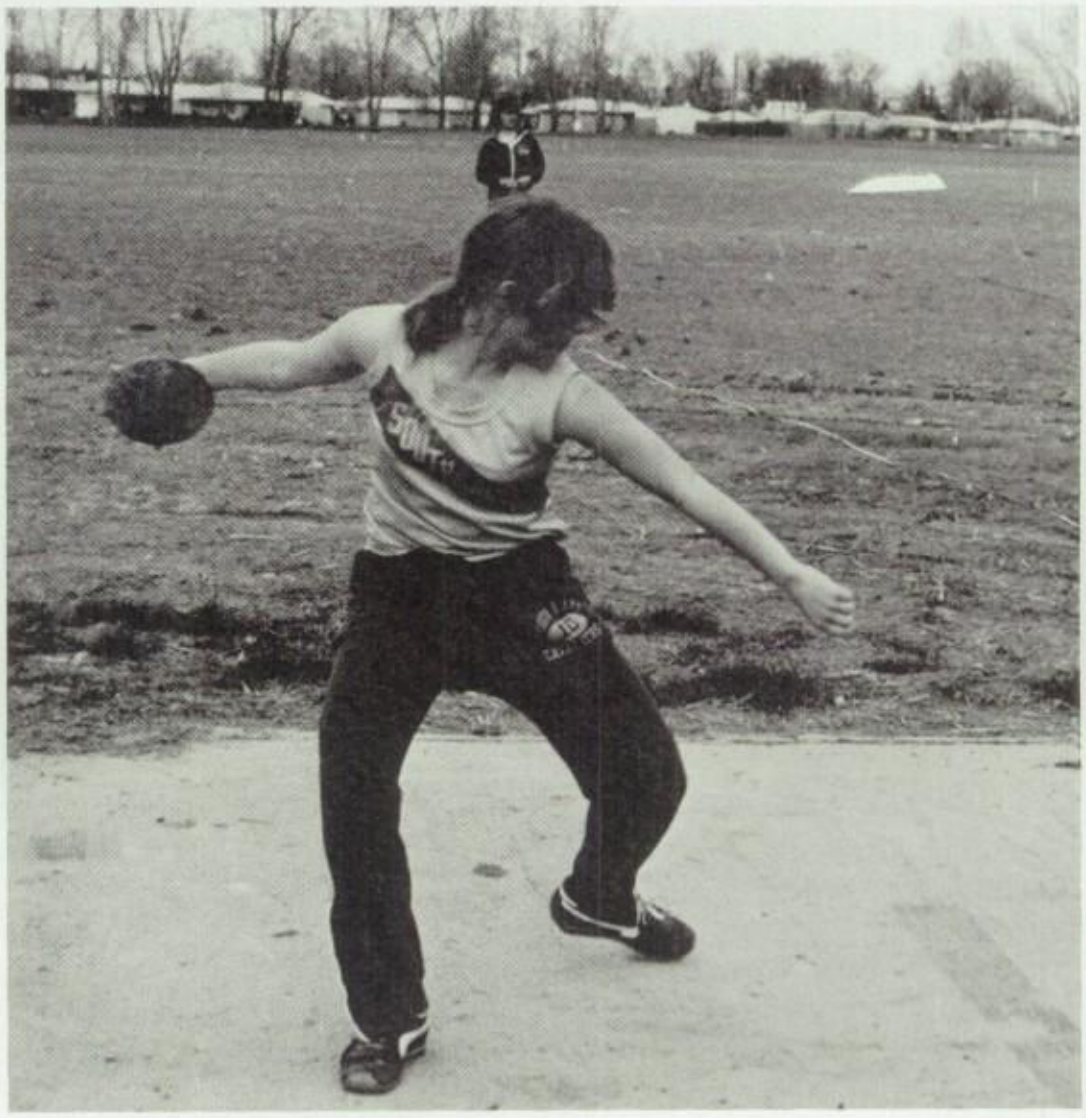
Reaching to return the ball is Jim Daniels.

The team receives a pep talk from Coach Burke.

FEMALE COMPETITORS

With a sigh of relief, Sharon Blomme strides in.

Highjumper Connie Gatliff clears the bar with her flawless flop.



Pivoting the discus around is Loretta Thomas.

Mr. Falardeau and Mr. Allison talk matters through.

Ready to plant her feet is Connie Gatliff.

This year has been productive for the Girls' Track Team. With seven veterans and 14 new members, they are building up their team. Captains Doreen Wickware and Connie Gatliff have been members for the past three years. Though the team has not been too successful, there have been outstanding individuals such as Kim MacAskill and Carolyn Maxwell. At the Spring Banquet, Carolyn was voted the MVP. Terry Olinger, a hurdler, was elected the Most Improved Player. Despite its losses, the team has much confidence for future wins. Their coach is Paul Falardeau.

Coach Falardeau, Loretta Thomas, Donna Wickware, Kim Krezenski, Carolyn Kady, Simone Derian, Tammy Mitchell, Debbie Serra, Sheryl Sterck, Heidi Woods, Sharon Blomme, Linda Rancilio, Terry Olinger, Celeste Fresard, Terry Neill, Lori Werner, Kim MacAskill, Carol Maxwell, Connie Gatliff, Doreen Wickware, Debbie Pascoe, Laura Swinbank.

On the sidelines is Connie Gatliff.

Hurling the discus, Brian Minor releases a scream.

The boys' track team did very well this year in Regional competition. Three Cavaliers won medals in various contests. Geoff Allison placed sixth in a field of 40 men in the discus throw. Mark LeFevre placed third in the 440 yard dash. This qualified him to compete in the state meet held in Flint in June. Duffy Brown took sixth place among 40 competitors in the 880 yard run.

Coach Dale Stanley and his team have done a fine job this year. With only four senior members, most of the team will be back next year for another successful track season.

With stiff Fraser competition, Kevin Brennan strives for the lead.

An anxious competitor and timer Cliff DeRuiter wait for the start of a race.

THE RACE IS ON

In the relay, Dave hands off the baton to Brian.

Three Regional winners — Geoff Allison, Mark LeFevre, and Duffy Brown.

Coach Callus, Randy Innes, Brian Smith, Brian Minor, Duffy Brown, Geoff Allison, Dave Smith, Coach Stanley. Al Innes, Mike MacAskill, Frank Gambino, Mark LeFevre, Phil Bertolini, Kevin Brennan, Henry Bowman.

The Fraser team is left behind as Mike MacAskill strides ahead.

A representative from the Armed Forces, one of our sponsors, talks with Alicia Fox.

A yearbook, no doubt, costs thousands of dollars to produce. The amount of money the actual sale of the CAVALIER provides is minimal. The bulk of our expenditures, then, are met with the help of our advertisers. Please patronize these businesses, always mentioning that you, the student, saw their ad in your yearbook.

BUSINESS

Did Stan and Lisa buy their flowers from one of our sponsors?

Unlike this circle, a yearbook is not self-supporting.
